CLUB ETIQUETTE

MEETINGS

The monthly GENERAL MEETING is usually held on the second Wednesday of each month at 8pm. All members should endeavour to attend the meeting so as to keep up with club matters.

DRYCASTING

Casting is usually conducted on the first Sunday of each month. Instruction is given to all new members and a competition is conducted to improve and maintain the standard of our members casting.

FIELD DAYS

These normally follow each general meeting on the ensuing weekend. It is compulsory for anglers to attend both the sign-on and the weigh-in. Anglers who cannot attend the sign-on for work or other unavoidable reasons may make prior arrangements for a late sign-on. However, only under very exceptional circumstances will failure to attend weigh-ins not be penalised with the loss of points acquired during that field day.

It is the Field Day Officer's duty to inform the committee of any anglers who fail to attend the weigh-in. It is the committee's duty to decide what action is to be taken.

Disputes may be taken to the committee.

Entries for Game Fish Badge, Club Records and Open Fishing Competitions must be lodged with the Recorder within 30 days of capture.

COMMITTEE MEMBERS

Please notify the Treasurer and Reel Talk Editor of any change of address or phone number.

GENERAL ETIQUETTE

If you intend to resign from the club a letter of resignation should be forwarded to the Secretary. Please assist the Treasurer by paying your subscription with-in 28 days of the Annual General Meeting. Arrears of 3 consecutive months may cause forfeiture of membership.

CLUB ACTIVITIESJULY GENERAL MEETING

WHERE - St KIERANS CATHOLIC CHURCH, Cnr Cape Street and Tyler Street, TUART HILL
 WHEN - WEDNESDAY, 14th July, 8.00 pm.
 INSTRUCTION - John Curtis has once again been asked to cover this segment of our meeting and as you all are aware he has a wealth of knowledge to pass on.

JULY DRYCASTING DAY

WHERE - YOKINE RESERVE
 WHEN - SUNDAY, 4th July 1993, 8.30 am
 EVENTS - 112 gram Level Line D/H Accuracy
 56 gram Level Line S/H Accuracy

NEXT FIELD DAY.

WHERE: YANCHEP AREA.
 WHEN : 17TH JULY
 SIGN ON: SATURDAY at 12 Noon At Bob Henderson House 107 St Andrews Drive Yanchep.
 WEIGH IN: SATURDAY. 8.00 pm At the above address to be followed by a barbecue. Bring your own food and drinks.
 BOUNDARIES: Boundaries will be set on the day depending on the and latest fishing information.

Arrangements are being made for people to be able to sleep over as now that .05 is in force anyone who drinks would be over the limit.

LOCAL FIELD DAY FOR JULY. See aboveFOLLOWING FIELD DAY.

WHERE: MARGARET RIVER AREA.
 WHEN : 14TH - 15TH AUGUST.
 SIGN ON: SATURDAY at 12 Noon. At the car park near the bakery at Dunsborough.
 WEIGH IN: SUNDAY at 10.00 am at the above location.
 BOUNDARIES: Boundaries will be set on the day depending on the weather and latest fishing information.

LOCAL FIELD DAY FOR AUGUST.

WHEN : 14TH - 15TH AUGUST..
 LINES DOWN: SATURDAY.1pm.
 LINES UP: 12.00 NOON SUNDAY
 WEIGH IN: SUNDAY by 12.00 noon at G. Holman's house. Scales will be available on his back patio. Weights must be witnessed by a adult. Results to be phoned into the F D officer by 8.00pm that night.
 BOUNDARIES Pt Peron to Yanchep Lagoon.
 Phone in sign on to F.D.O. by 8.00pm on the Friday night.

**MAKE THE EFFORT... ATTEND
 OUR NEXT FIELD DAY... IT'S
 AT YANCHEP !!**

PRESIDENTS REPORT

Wednesday the 9th of June saw the attendance of our new member Ian Pilton and three prospective members to which an application has been subsequently submitted by Tony Celani. The recruiting Sub Committee has placed leaflets in shopping centres etc and canvassed fisherpersons from Ocean Reef to Hillarys plus instigating adverts in three local newspapers, all of which are starting to produce. Our recruiting aim is for an additional 14 members as this number is required to build up a hard core membership activity pool of 40 members to which we now need to request the assistance of all club members for the following.

BUDDY SYSTEM: The Buddy System is in place with all committee members holding within their committee folders a list of established members and recording system to both allocated and monitor assistance for new members. We will at the next general meeting be calling for the first two members to allocate a new member to. Should there be insufficient volunteers the first two names on the established members list will be allocated to assist the new member.

RECRUITING EFFORTS REQUESTED THROUGH EXISTING CLUB MEMBERS:
The easiest and most productive method to recruit new members is simply through personal recommendation.

REQUEST OF ALL CLUB MEMBERS: To invite a friend or associate or a person/s whom you know is or could be interested in fishing or Drycasting to the next general meeting. Please get behind this request and put your best efforts into obtaining at least one person to invite to the next meeting on Wednesday 14th July. We need new members and it is equally our responsibility to put the effort in to build up our membership. See you at the Dinner and Dance on Saturday 26th June at the Wembley Lodge.

DERRY J BARBER
PRESIDENT

EDITORIAL

I have been instructed to write a brief Editorial mainly to inform the members that the Quiz Night for July has been cancelled. The main reason for this is that there is a lot of work to organise and run one of these and with the negative response from the majority of members towards the Dinner and Dance it does nothing for the workers enthusiasm. We have been left with some head-aches because of this response to the Dinner and Dance and even though the numbers are small we have been left with no alternative but to carry on and let those attending have a good time. The problem is....what do we do from here? If you get this "Reel Talk" in time and you wish to go, or bring along a few more friends, contact Eric Parker ASAP on 446 8249.

George Barber

FIELD DAY REPORT - KALBARRI

I awoke around 1pm on the Thursday with great expectations of the field day coming up. I packed my bags and gear and headed to Fleets for some bait.

When Mark arrived around 6pm we packed up and headed for Kalbarri. Around 6 hours later we arrived to welcomes from Ian and Andy. With the news of Harold going bum-up on Frustration it had me worried about the weather for the coming weekend.

With an early start to the morning we had breakfast and headed for Wago. Making the trip to Wago were Mark, Ian, Derry and myself, leaving the injured Harold and Andy at home.

Mark and I geared up and got a hot bite on nice size sand Whiting which were attacking bait from wogs to mulies. We met Tony and found out he had landed a 20lb Samson fish and two small Mulloway on the Thursday night but nothing more since then.

We headed back home and had a bite to eat and watched some TV and had some warming Ports.

After a nice sleep-in I got out of bed and examined the rest of the camp who were suffering from dehydrated brains. We all had some breakfast and welcomed Bob and Matt Henderson. Tony arrived and we all signed on.

With a visit to Bob Hardie's. we planned a trip for some of us to go over to Frustration Reef. Mark and Bob Henderson headed off to Wago to join Tony and friends for the night and the rest of us, minus Harold, boated over to the reef.

Ian floated a balloon out which was not hit, while the rest of us baitcast for anything swimming. Around 6.30pm I was the first to hook up on a nice fish and five minutes later I had a nice 11kg Mulloway gaffed and on dry land. Around half an hour later Derry repeated the incident and Ian was called to put his gaffing skills into practice once more and landed a nice 5kg Mulloway for Derry. A run of small Tailor around 20cm hit us and Ian and I managed to land one each. The Tailor were quickly cast out as livies but were not touched at all. I hooked up again and lost a Tailor around 3kg at the rocks and that was it for the night. We headed back and got some sleep.

The next morning we weighed Derry's and my Mulloway and filleted and froze them. Mark returned after a quiet night at Wago with only Whiting on three runs. That night plans were made for another trip to Frustration and we all prepared for the trip.

Expecting Bob at 5.30, when 6.00 came Mark and I went in search of answers and found that Ian had changed plans and not informed us. Due to the weather being so good that you could fish tied to the reef in a boat let alone on the reef we did not get over there. Ian thought that it was rough but the swell disappeared. Feeling bad about stuffing up fishing for the night, Ian and Derry asked us to join them in a dinner at Finlays Restaurant which we all enjoyed very much.

Waking up in the morning after a late night, we set up for the weigh in. Tony arrived and weighed in a bag around 3kg with Snapper, Wirrah and Whiting.

With Mark's car very sick, we headed home and reminisced about the trip. So all in all, it was a great field day and let's hope we have a few more attending the next.

A special thanks to Bob Hardie for looking after us while we were in Kalbarri.

Dirk Fitzsimmons

ROTTNEST FIELD DAY - 15TH-16TH MAY

Weather:- Fine, warm, light NE-NW winds, and a very low swell. Perfect weather.

The ferry trip was fast and smooth and we arrived at 10am. We loaded the bus and went to tentland to unpack and have lunch. At 1pm we headed out towards West End along the south side of the Island. The water looked magnificent and was calm and very clear. The seagrass beds, reef and weed banks were visible in about 8 metres of water. By this time the anticipation of catching some fish was increasing although we had not heard of any large number of Salmon being caught.

We dropped Mal, Dirk, Bob and Matt off at Fairbridge and continued on to West End. On stopping at Fish Hook Bay we were surprised and extremely happy to see people catching Salmon with both rods and hand lines. The water was so clear we could see the Salmon schooling below us. So it was up to the hut (which was unlocked), rig our gear and back to Fish Hook Bay. Two launches were moored in the Bay with people snorkeling, presumably looking at the Salmon. Before I had a bait in the water Ian Taggart's boys had both hooked up on a Salmon. Mark and Darrell decided to try lures with overhead gear. They had a number of strikes and lost a couple of lures to large Salmon. Mark landed one Salmon and Darrell landed two. After trying both mulies and whitebait, with nil result, I packed up and went to the deep hole at the base of the cliffs on the south side of West End. Well!! Every cast was a Salmon. As you worked one in and up onto the ledge, a number of other Salmon would follow the hooked fish. Great to watch. About this time Darrell and Mark turned up and we all fished with light 4kg gear. The Salmon would strike lures, mulies, or whitebait. We all had great fun with the Salmon on the light gear. As we had our bag limits (4) we let a number of fish go, very easy with 4kg line.

Ian Taggart and the boys had meanwhile gone to Wilsons and Ian caught some Skippy and a Tailor. Tony and Peter fished a number of spots with good results. At dusk a number of people fished Radar but the Salmon didn't allow other fish a chance at the bait. We had a large Wobbiegong on the reef for a few minutes following after old discarded baits.

The boys at Fairbridge caught some small fish but the Salmon were finicky and only one was caught.

So it was back to camp for a good feed and bed. 16kg of Salmon is heavy work to lug back to the hut with the rest of the fishing gear so we were all fairly tired.

We had a 6am start on Sunday and the same group went to Fairbridge. The rest tried Wilsons early in the morning with some nice sized Skippy being landed. After this, people split up and tried various spots. Mark landed a couple of nice Bream at Cathedral. All I could hook was Salmon and Buff Bream. The Herring were biting on just bare hooks with a piece of spaghetti on the line at the tennis courts.

Well it was time to go back to camp, weigh in, have lunch and pack up.

On boarding the ferry we were informed that they had lost a couple of blades off the port propeller and would have a 1.5 hour trip back on the starboard engine only. Luckily it was calm so the trip back was slow but comfortable.

A terrific weekend was had by all who went. The conditions were absolutely ideal. What a contrast to last August field day at Rottneest. Well done to the two Taggart boys on their Salmon catches.

Tight Lines
Cookie Monster FDO

JUNE DRYCASTING

Once again only a small attendance at Yokine Reserve for this month's drycast on 7th June - 9 members and 1 visitor. Sure would be nice to see more there as it is a good social morning as well. Weather was fine with a brisk head wind which made distance a problem and sorted out the accuracy as well. There were a number of "break-offs" for the day with Dirk Fitzsimmons setting the pace for the day with two!! Jim Strong did the possible on the single handed accuracy with four ducks!! George Holman had the longest cast for the day with 141 metres in the 112 gram V court distance. Malcolm Head won the Single Handed Accuracy with 17 which is less than his usual score and indicative of conditions on the day. Garry Gildersleeve set the pace winning the day, the 112 gram distance (25 pts), artificial bait (19 pts), and double handed accuracy (128 pts). A special thank you to Malcolm Head for organising the day on short notice as Mark had business commitments and to Ron Thompson as his 2.I.C. See you next month on July 4th.

BILL MILLS BLUE WATER CHARTER

SUNDAY 8TH AUGUST 1993

HILLARYS MARINA 6.30 AM - 4.30 PM (REAR UNDERWATER WORLD)

\$55 per member with two competitions whilst on boat at \$5 per competition for,

1. The biggest fish; and
2. The biggest Whiting on the way back with 50 % of the pool going to the club.

Deposit of \$15 required Please attend to same at next meeting on Wednesday 14th July.

ATTENDEES:

* D Barber	* J&B Reeley	* H Hodgson	* G Holman
* A Thorgerson	* M Philpot	* B Henderson	* D Fitzsimmons
* I Pilton	* D Halton	* P Osborne	*

"ONE MORE SPOT AVAILABLE"

STATE DRYCASTING REPORT

The competition was held on the 23rd May at Yokine Reserve under calm winds and balmy autumn weather. The humidity was very high, virtually no tail winds giving good conditions for accuracy, but not conducive to record setting for distance casts.

Seven Clubs participated for a total of 62 casters.

Surfcaster's competed in most teams events and were runners-up in the Mens, won the Veterans (Jim Strong, Harold Hodgson, Trevor Stam, Andy Thorgerson), won the Juniors (Dirk Fitzsimmons, Brett and Nicole Reeley).

In the individuals George Holman won the Open event and Dirk Fitzsimmons was runner-up in the Junior event.

Longest cast on the day went to George Holman with 159.8 metres.

There is a recommendation put forward to take out one of the artificial bait events. This is not a good idea as one is for team casting and the other counts towards the individual results and require two totally different approaches. The State event has already been brought back to a single day event and if cast later in the year when there is plenty of daylight hours does not present a problem in completing the day comfortably. It is a State Event and not a Sunday Picnic and should be cast accordingly!!

PRESTON BEACH
CARAVAN PARK

We wish to introduce ourselves to your Club. We have recently taken over ownership of the Preston Beach Caravan Park and would like to draw your attention to the facilities which are available here; including Fishing, Golf, Four Wheel Driving, and Bushwalking in the Yalgorup National Park, which is nearby.

We are keen to develop the Caravan Park to its full potential and, to this end, we would welcome any enquiry from your Club. We would be pleased to offer discounts on group bookings and to negotiate any special arrangements you may like to propose.

NOTICE OF MOTION PERTAINING TO THE CONSTITUTION OF SURF CASTING AND ANGLING CLUB OF W.A. (INC) AND THE BY-LAWS

Notice of Motion pertaining to the Constitution

Page 10, Clause 17 - Meetings

To reword second paragraph as follows:

"Minutes of the previous Annual General Meeting shall be read in part or full at the next following Annual General Meeting."

To remove the following:

"Such notice shall show the meeting agenda and shall be posted to the members at their last known address"

Constitution to now read:

"Notice of every Annual General, General, or Special Meeting, shall be given in writing to every member not less than seven days before the date of such meeting."

Page 11, Additional paragraph prior to AGM agenda

"The following formats of both the Annual General Meeting and the General Meetings are a guide and may be varied."

Page 11a, Annual General Meeting Agenda

Revised agenda as follows:

a) Annual General Meeting Agenda:

In the case of an Annual General Meeting the following business shall normally be conducted:

1. Existing chairperson to open meeting.
2. Existing chairperson to follow the General Meeting agenda up to but not including the general business section.
3. Standing orders to be called by the existing chairperson who advises that all of the committee officers will now stand down and that the immediate past secretary will read the minutes, in part or full, of the last Annual General Meeting and call for a minimum of two persons, who shall conduct the next immediate procedure for the election of officers, hereinafter called the election officers.
4. The immediate past secretary reads the minutes in part or full of the last Annual General Meeting.
5. Guide as to the procedure for the election officers is as follows:-
 - * A white board is prepared showing the committee positions with provision to enter names and, if required, numbers.
 - * Voting slips are issued to each eligible financial member present showing the individual committee position concerned and lines for the insertion of numbers or names as advised by the election officers.
 - * The first election is that of the President and the election officers conducting this procedure shall request nominations for the position of President and such nominations are required to be in writing, seconded and handed to the election officer who will request that eligible financial members present and voting shall vote by completing said voting slip folding over same and issuing to the election officers for counting.
6. The election officers will then advise the meeting of the name of the new President after counting the confidential votes and pass over to the new President the responsibility to conclude the election of the incoming committee officers.

7. The newly appointed secretary or the prior committee secretary shall record the balance of the meeting by continuing on with the partially completed minutes of the prior committee secretary.
8. Upon the conclusion of the election of new incoming committee officers standing orders shall then be revoked and general business called followed by the standard conclusion for a General Meeting.
9. Chairperson to thank past committee for services rendered and close meeting suggesting that members join together to create a social atmosphere and welcome in the new committee.

Notice Of Motion Pertaining To The By-Laws

Index of By-Laws

- 7.0 Sportsman of the Year By-Laws altered to read:
"7.0 Sportsperson of the Year By-Laws"

Page 5, Clause 2.4.1 Field Day Attendance

All members who sign on for a Field Day shall receive ten (10) points for attendance provided that all members who attend the gazetted Field Day Venue (not the alternate local Field Day venue) shall be credited with an additional thirty (30) points, ie a total of forty (40) field day attendance points, provided that for the purpose of Sportsperson of the Year points the said additional thirty (30) points shall not be included.

Section 7.0 Sportsperson of the Year By-Laws

Previously titled - Sportsman of the Year By-Laws now reads Sportsperson of the Year By-Laws.

Notice of motion by eligible financial member

** BOTTLES & CANS **

Members are asked to bring any spare cool drink bottles along to either the Drycasting or General Meetings as well as Aluminium cans. Malcolm Head is looking after the cans and Andi Thorgensen knows just what to do with the bottles.
We thank them for their endeavours on behalf of our club!!
