CLUB ETIQUETTE

MEETINGS

The monthly GENERAL MEETING is usually held on the second Wednesday of each month at 8pm. All members should endeavour to attend the meeting so as to keep up with club matters.

DRYCASTING

Castings is usually conducted on the first Sunday of each month. Instruction is given to all new members and a competition is conducted to improve and maintain the standard of our members casting.

FIELD DAYS

These normally follow each general meeting on the ensuing weekend. It is compulsory for anglers to attend both the sign-on and the weigh-in. Anglers who cannot attend the sign-on for work or other unavoidable reasons may make prior arrangements for a late sign-on. However, only under very exceptional circumstances will failure to attend weigh-ins not be penalised with the loss of points acquired during that field day.

It is the Field Day Officer's duty to inform the committee of any anglers who fail to attend the weigh-in. It is the committees duty to decide what action is to be taken.

Disputes may be taken to the committee.

Entries for Game Fish Badge, Club Records and Open Fishing Competitions must be lodged with the Recorder within 30 days of capture.

COMMITTEE MEMBERS

Please notify the Treasurer and Reel Talk Editor of any change of address or phone number.

GENERAL ETIQUETTE

If you intend to resign from the club a letter of resignation should be forwarded to the Secretary. Please assist the Treasurer by paying your subscription with-in 28 days of the Annual General Meeting. Arrears of 3 consecutive months may cause forfeiture of membership.

CLUB ACTIVITIESJUNE GENERAL MEETING

WHERE - St KIERANS CATHOLIC CHURCH, Cnr Cape Street and Tyler Street, TUART HILL
 WHEN - WEDNESDAY, 9th June, 8.00 pm.
 INSTRUCTION - The committee is arranging a suitable and informative topic for the night!

**BRING YOUR FRIENDS TO OUR
 DINNER-DANCE... SAT. 26th JUNE**

EDITORIAL

This "Reel Talk" is rather sparse as I have got to get it out early or you wouldn't be reading this at all. Our group is going fishing at the end of the month so it is necessary for me to pre-empt information and write what I can.

The most important function on our club calendar is our Annual Dinner Dance and Presentation Night, to be held in the Wembley Lodge, Cambridge Street, Wembley, on Saturday 26th June. Starting at 6.30 pm with Cocktails, Hors D'oeuvres, followed by a 4 course meal, presentations and the dancing for the rest of the evening to a live band. Mixers will be provided and you need only to buy alcoholic drinks from the bar (Stewards will attend the tables).

What we require of you, the members, is your attendance along with your wives and as many friends as possible to help make the night. Our Club juniors and Club veterans \$15.00 and members and friends \$25.00...not bad for a full evening. Please let Derry Barber know who is coming, how many per table, and it would be appreciated if you could pay at the next general meeting to avoid the hassle of handling money on the night. Also if any member wishes to donate a trophy for the presentation bring them to the next meeting.

Thank you...see you all at the Wembley Lodge.

Even at this early stage planning is starting for the Mandurah 500 to be held in early January 1994. Mark Philpot has been given the job of chairing a working committee so if you want to be involved please let him know.

Information is coming forward on the planned trip to the Mackerel Islands in April 1994 and the cost looks like being around \$500 for the week. This includes everything - food, accommodation, transport to the island from Onslow, a boat per hut to fish from, freezing facilities and excellent fishing from the island. Start making arrangements for your holidays for April 1994 and further information will be coming forward each month so that planning and booking may be done. At the moment the number could be 12-18 starters...Great!!

Next issue will contain a lot of information on the forthcoming Quiz Night to be held at Underwater World - Hillarys, on Saturday 24th July. Start asking your friends to come along and help make the night enjoyable. If you have something suitable for a Hamper Raffle, or table prizes for the night, let Derry Barber know and please bring them to either the June or July meetings. Thank you. Reports I received on the club trip to Rottneest was virtually Salmon everywhere and all had a great trip. The local scene was very poor as the easterly wind had been blowing for about four days.

The June trip will be on the long weekend so it will be before our next general meeting. If you require information on this venue contact our FDO. It will be held at Kalbarri and our club cottage has been set aside for those going up there so you can do it in style!!

We should also have the results of the State Drycasting Championships for our next "Reel Talk" as this event was held on Sunday, 23rd May.

EDITOR

MAY DRYCASTING

Two major events happened at our Drycasting day in May. The first of these is that our President decided to try his hand at this, a new experience for him. Many of the regulars for the morning froze, with the appearance of Derry, as he stepped from George's car. I think that with a little more coaching we should be able to knock Derry into shape and not have to wear safety helmets when we fish with him.

The second event was a new club record by John Reeley in the Single Handed Accuracy with two 10's, one 8 and one 9, for a total of 37 points. The previous record was held by George with 36 points set in January 1992. So John, with this record under your belt, we should be the top team at the state Drycasting.

One other point is that I will be standing down as the Drycasting Officer at the end of this season and I think that you all should give consideration to taking on this official duty in the club. Give it some thought and remember, we don't have a club if members are not prepared to do their bit. A club will not exist if you as club members are not prepared to make the effort.

Our Drycasting day was sunny and we had a total of 16 on the morning. Also Dirk is now a senior so watch out as Dirk has a lot of potential in Drycasting. He had a good mentor, now I think it is a good time for me to allow him to go his own way, Ha! Ha!

Regards, King Skippy.

PRESIDENT'S REPORT

It was a pleasure to be present at the General Meeting on Wednesday 12th May to hear our guest speaker, John Curtis address the meeting on the subject of research and planning pertaining to fishing.

John is a competent interesting speaker with a wealth of knowledge of fishing and clearly substantiated the advantages of record keeping and research to maximise results. His comment was certainly thought provoking in relation to "the top fisherperson" - what was it? - Does the top result represent simply time expended, an animal cunning in relation to the best times or place, luck, pure fishing ability to both feel the bites and hook and land that fish? Can in fact a number of people with differing abilities compete and become the top fisherperson? What do you think? What did John suggest? Could you answer lie in keeping records, (your own and for example the weekly newspaper articles) consulting the moon and tide tables, studying the habits of the fish you are targeting and obtaining the bait and gear to suit that targeted fish? Would in fact that effort enable you to compete and create the opportunity to become the top fisherperson? Healthy competition is fun and certainly creates enthusiasm within a club for all members when a number of persons are actively competing for the top spots. Give it a go and rattle the cages of the so called guns, use a little research and science to make the race interesting.

Two of the club members have or are in the process of making available to the Field Day Officer forecast and data banks to search out the best possible fishing times. This will eventuate when a computer arrives in WA imported by Derry Barber which will be correlated with the watch version of Mark Philpot and worked with the club records and current Field Day agenda. Further news in this area will emerge in due course.

ANNUAL DINNER AND DANCE

PRESENTATION NIGHT

Saturday, 26th June at 6.30 pm Wembley Lodge, 202 Cambridge Street, Wembley.

Cocktails - O'douvres - 4 course seated meal - large dance floor - top band - recognition of members achievements, tickets - \$25.00 adult - \$15 (for under 16) bring a table of friends and enjoy a great night out.

MONIES to be paid at or by next General Meeting Wednesday, 9th June.

See you there.

Derry J. Barber
PRESIDENT

QUIZ NIGHT

Saturday, 24th July

Just a reminder that the Quiz Night is coming up on Saturday 24th July (one month after the Dinner/Dance), at Hillarys Marina, Underwater World. Start to arrange your tables of six and as soon as practicable let Derry Barber know so he can get an idea of numbers so that preparations can be made, prizes arranged, etc. Bear in mind that for the \$10 Adult and \$5 per child admittance you can come as early as 6.00 pm and view Underwater World, which makes the night really cheap. A good selling point when asking friends etc. along to our Quiz Night.

Have a look around at home and if you find something that would make a good prize (a bottle of wine, a plant, etc.) bring them along to a meeting and give them to Derry as we don't want to spend all the profits on prizes...every little helps.

Another suggestion: It would be nice to see a couple of volunteers come forward and offer to help Derry organise this event!!
