NEXT GENERAL MEETING.

Our April General Meeting will be held in the R.S.L. Hall, Bay Road, Claremont on Wednesday 9th April 1969, and commences at 8 p.m.

INSTRUCTION PERIOD

Bob Jensen has become an avid "shutterbug" and has quite a few films to show us including some Bob took at Drycasting recently, so these films should be quite interesting. Some of the drycasting boys might be able to pick up a few of their faults.

LAST COMMITTEE MEETING.

This was conducted in the R.S.L. Hall, Bay Road, Claremont, on Thursday 20th March, and did not conclude until approximately 11 p.m.

NEXT COMMITTEE MEETING.

Will be held in the R.S.L. Hall, Claremont on 17th April, and will commence at 7.30 p.m.

A THANK YOU FROM YOUR F.D.O.

I wish to extend my sincere thanks on behalf of my wife Lesley and myself for the help and good wishes extended to us whilst I was a patient in the Geraldton Hospital.

It sometimes takes a little setback such as my escapade with my appendix to show a person just how many friends he has. I can truly boast a great number, and such friends as the members of the Surf Casting & Angling Club of W.A. are friends of the highest order, and whose companionship I will cherish always.

The Club's gesture in flying Lesley and myself home was an unexpected surprise and one we surely appreciated.

A special thank you to Brian Hanks and his wife for rushing me to Geraldton, also to Tony Jones and his wife Val and Lofty Griffiths for coming all the way from Kalbarri to get me only to learn I had to stay in hospital.

CASTING NEWS. MARCH 9th 1969

Included amongst Sunday's 22 casters, were visitors H. Davies, President of the Offshore Angling, R. Thomas and Ted Hayman. Alvey's Keith Peel was along to watch the action and "chin on" about matters dear to anglers. Keith told me he thought he'd been "sconed" by a break-off at a barbeque the previous evening. Not from an Alvey, of course, Keith. Several others had doubts concerning their head conditions.

In the background carefully riding herd on a mixed group of casting visitors was our President Jack, assisted by a spritely Arch Ticklie. Both these gentlemen would be glad to offer advice and coaching to new Club members should said members wish.

New member Ross Cusack showed he was no stranger to "lead-swinging" by winning the L.L. Distance. This outburst cost him 54 from a shiny new handicap of 180. Graham Baskerville came along to lose 19 from his Hcp of 99, and gain second place in this event. Third and last Hcp reducer for the day was A. (Tony) Smith showing good form in distance casting (his was one of the few no penalty scores), he lost 4 from his 149.

Showing son Glen some pointers was Brian Leicester who notched up a one point win over Bill Bridger in D.M. Acc. Brian, an every event trier made 53/80. Bill's 26/40 shared second place in S.M. Acc., with Bob Tichbon. Both fell 5 short of Bob Tucker's 31/40 "Tuck" was winner of the day with 99 total. Second with 97 was previous Top-Ten leader Tom Corcoran showing a return to form. A bit late for this year Tom, but you could show the way next year.

Perhaps the Eye of the Expert un-nerved Ron Johnson a little. He has managed better than 430 ft. for a days longest cast.

contd from previous page.

To Doug Salt and Phil Neri a special thank you for driving my car home to Perth, and to all Club Members who came to see my in Geraldton Hospital - thanks fellas, you are all true mates.

D. LATTO/B. HANKS.
 CASTING ORGANISERS.

MURCHISON 1969.

On arrival was shocked to hear that George Holman was in hospital in Geraldton, and had been on the operation table to have his appendix removed, and the members wish you the best on your recovery, George.

At the weigh-in centre at Sangsters Cottages on Saturday, 51 members were present on the field day and the boys were getting the local angling picture from many members who had been at Kalbarri a week previous to the field day, and learnt that fishing has been dropping off all week. Anyway the members all geared up ventured over Frustration - Oyster - Blue Hole - Jackobs Bay and the Red Bluff and secret spots.

G. Baskerville with his anglingmates were last seen walking up North past Frustration (It's the first time we have seen them away from their Landrovers.)

Frustration contained a big crowd of members with a few at Oyster. Down at the Blue Hole, our President and Sect. were noticed with other members doing their best to hook there first. Down at the next bay which looked good indeed, E. Hill and his gang could be seen with other members far in the distance, and far too hard to recognise from the road.

On arrival at Red Bluff, noticed that the water was decorated with all kinds of colour balloons as the previous night D. Bodle landed a Tiger Shark over 70 lbs. on balloon gear.

The first weigh-in looked grim indeed with only 56 lb. weighing in Eric Sullivan had a 6 lb. Tailor, also John Marks had a Blue spotted Trevally of 5.1/4 lbs. with Tony Jones 6.1/4 lb. Blue spotted Trevally. Sunday morning things looked real grim, and many members were beginning to wonder what a bag of fish was like. Rudy Lerch managed to catch a Bronze Whaler shark of 15 lbs., and on Sunday evening was quiet again. Except for T. Vivian's 5.1/4 lb. Hammerhead shark, there was little interest aroused. This shark was caught on a 23 lb. line, and he was lucky to sand same as the pressure spread his 7 1/2" Alvey Spool.

contd.

The Heaviest Scale Fish was Tony Jones' Blue spotted Trevally of 6.1/4 lbs.

The Heaviest Shark was Tom Vivians' Hammerhead of 51.1/4 lbs.

The Heaviest Bag of Scale Fish was weighed in by Assistant F.D.C. Lofty Griffiths, 65.3/4 lbs. of Tailor.

Also R. Mansfield weighed in a North West Black Snapper 4.1/2 lbs with Doug Talbot's Red Snapper 3.1/4 lbs. Many sections went toppling again. Section 4 George - Tom took your shark. Section 8 Doug - Tony took your Skippy. Section 12. Doug - Lofty sneaked back his Tailor again.

The Junior section was again taken out by G. Ross with 15 lbs. of Tailor - keep it up Graham. The final poundage was only 369.3/4 lbs.

I would like to thank the Trophy donors, also Howie Sangster for his help and co-operation to us as a Club and many members who helped - thanks chaps, next Field Day may be yours, so remember Yallingup next month.

ASSIST. F.D.C. - LOFTY GRIFFITHS.

APRIL - PLEASE NOTE CORRECTION

Easter weekend falls on 4/5/6 and 7th April, but we are unable to change the date of casting, so unfortunately this will have to be held on Easter Sunday 6th April.

APRIL VENUE 1969.

YALLINGUP.

After a run of fairly lean venues as far as fish are concerned, perhaps our April Field Day at Yallingup will be the jackpot. We're certainly due to crack it!

The Club Tent will be erected in the camping area opposite the Yallingup Inn (Caves House) subject to permission being granted. Members are asked to leave the area clean and tidy.

I will be attending to check members in from 1 - 3 p.m. on Saturday and will be issuing receipts to each member as he signs on. Lofty and myself therefore request that each member "fronts-up" in person.

The area open for fishing will be Ten (10) miles North and South of the Club Tent. Fishing will commence at 4 p.m. on Saturday 12th April, and cease at 8 a.m. Sunday 13th April.

Weigh-in will be from 9 a.m. to 10 a.m. Sunday morning.

An invitation has been sent to the Collie Club to attend our April venue, so once again we can fraternise with Fred Scharf and his Collie Club members.

I'll see if I can be around to conduct this venue (not like the last one), as I'm fresh out of appendix.

See you all there -- good fishing.

GEORGE HOLMAN F.D.O.

P.S. I wish to say thanks to all members who attended the Maibbarri venue for your help and co-operation to my assistant "Lofty" Griffiths.
