"REEL TALK"

AUGUST 1974

General Meeting

The next Annual General Meeting will be held at the Buffaloes Hall, Onslow Road, Shenton Park on Wednesday 14th August, 1974 at 8.00p.m.

Instruction Period

Les Reid is to give members a rundown of hot spots in and around Greenough River, including slides to give a general idea of the area.

Committee Meeting

The next Committee Meeting will be held at the Buffaloes Hall, Onslow Road, Shenton Park on Wednesday 21st August, 1974 at 8.00 p.m.

August Field Day - 17-18th August - Rottnest

Arrangements will be the same as for July. Don't forget, fare is \$3, which is paid on boarding vessel.

If, due to inclement weather, the field day looks in doubt..... ring Field Day Officer.

In order to offer the minimum of gear handling and the greatest care, members are asked to assist readily in the loading and unloading of our gear - if the ferry people will let us!

To facilitate the loading and unloading of gear, particularly on the trucks, members are asked to mark with clear ribbons, ALL their gear and rods as follows:-

|       |   |                        |
|-------|---|------------------------|
| Green | - | for Radar and West end |
| Red   | - | for Ricey Beach        |
| White | - | for other areas        |

The late return of the ferry enables members to relax and fish on the Sunday morning and maybe knock down an ale or two before returning.

Trucks will be \$4 per head and together with the registration fees it was decided at committee, to levy members at \$4.40 to cover other costs. This money is to be paid at the General Meeting as members sign on. The F.D.O. should not be expected to carry large sums of money to and from the Island. It is hoped that members will co-operate in this regard.

AUGUST 1974

Field Day Report : 20th & 21st July - Rottnest

Arriving at Barrack Street jetty at 8.30a.m. and fully prepared to load all members' gear, was surprised to find writer, Ric Rowland and one visitor (Bill Churchman) only members of Club on ship.

Proceeded down river to East Street jetty and was joined by 16 other Club members and almost 17. Our intrepid Club President was on North Mole observing "whether?"

All members looked the usual mottley lot, with one exception, "the man with the lamp." Les guarded this lamp and one gained the impression that it would really give light. It was seen fore in the bar, and aft and on its arrival at Ricey out with the quokkas - "no gas."

New Club Treasurer commenced on right foot, joined school at bar and when turn came to buy, bar closed. Proceeded to collect glasses and .10¢ deposit on each.

My sympathy to those Club members who could not attend. Missed a real good show. Where else could you see Roy Lundy swimming 4.30p.m. Saturday afternoon or hear George Holman calling for his early morning cup of tea (pity his wife). Or see Ernie the cook cracking hard boiled eggs into the frying pan.

When three tents are erected together it requires more talent than I possess to record the humour of Saturday night and I apologise to the boys who fished Ricey for the lack of information from that venue.

No doubt with Eric and Les and the Renshaw crew, together they also had their share of humour.

Eventual Field Day winner was Ric Sullivan with 17.933 kgm (39½lb). Other good catches were George Holman 16.344 kgm (36lb), Bob Brown 12.371 kgm (27½lb), Len Singleton 10.782 kgm (23½lb) and visitor Bill 7.718 kgm (17lb).

One member will be recorded on field day "as also." I wonder who?

My informant suggests that we fish Ricey in August, and that we will find the last full bottle of Stones Green Ginger still on the table, so until then, good fishing.

Tea-Cosy

"REEL TALK"

AUGUST 1974

July Dry Cast Report

Fine weather again and an excellent turn-up for the cast, with there being 28 seniors and 6 juniors in attendance.

The top position on the day was shared by Brian Leicester and Dave Latto, both with 122 points.

The top junior caster on the day was Mark Tucker with 93 points.

It was good to see a number of juniors along, including two new members in Wayne Shaw and Malcolm Kelly.

Level Line Distance :

Once again Hugh Y. Hew was the leader in this event with 38 points, Brian Leicester following on 37 points along with Eric Parker, also on 37 points and George Holman, Bill Utting and Mark Tucker (a junior) on 34 points.

Double Hand Accuracy :

In this event, Rudy Lerch was a clear leader with 63 points, followed by Ron Kildahl on 53 points, Dave Latto on 51 points with Roy Lundy and Les Reid both on 50 points.

Single Hand Accuracy :

In this event Dave Latto was the leading caster with 30 points, followed by Dennis Green and Brian Leicester both on 29 points, John Devitt with 24, Graham Baskerville on 23 and Mark Tucker (junior) on 21 points.

Dennis Green looked like he was going to knock the record off when he scored Bulls with his first two casts in the event and then he only scored a third and sixth to finish with 29 points.

Double Hand Open :

It was good to see the number of members who stayed behind for the Open and register some good casts, the records of which are published with the Dry Casting results.

With the election of a new Dry Casting Officer, Gus and I would like to thank all those members who attended the Dry Casting throughout the past year and helped in the running of the events and wish everyone a successful year at casting and trust that Eric will get good roll-ups to the casting days.

Roy and Gus

AUGUST 1974

Surf Casting and Angling Club of W.A. (Inc.)

Treasurer's Report for year ended 30th April, 1974

Mr President, Gentlemen,

I submit for your approval the following financial statements and Balance Sheet for the year ended 30th April, 1974.

General Fund

At first glance the deficit of \$375 appears alarming, but I remind you that for the previous year we achieved our budgeted surplus of \$192, which was to be applied against this current year's social expense, resulting in an actual deficit of \$183 for this year. The result is far from satisfactory and it is obvious that our Club is also feeling the effect of inflation. It is essential that we operate our organisation as near as practicable to a nil balance tending to lean towards a small surplus. Steps have already been made by your Committee to counteract the 1973/74 deficit and to prevent a reoccurrence in the coming year.

Main items which need commenting on are listed below:-

Social

Net social expenses for the year totalled \$350 compared with last year's \$28. After allowing for the surplus carry-over of \$192 as mentioned above, the actual cost of social events this current year was \$158.

Individual social cost items are as follows:-

|     |                               |       |
|-----|-------------------------------|-------|
| I   | Annual Dinner without subsidy | \$212 |
| II  | Election Night                | \$117 |
| III | Christmas Wind-up             | \$144 |
| IV  | Sundry                        | \$ 17 |

It can be seen from this that the achieved loss of \$158 is quite reasonable.

Income from sundry sources totalled \$140.

Reel Talk

The cost of producing our monthly 'Reel Talk' increased this year from \$213 to \$325. The increase can be attributed to paper costs and the purchase of covers. This area of expense will vary from year to year due to bulk buying of stock in order to obtain the best price and the carry-over of that stock into the

following year - e.g. in 1972/73 we purchased nil covers but this year we had to buy a supply costing \$92. Some of this stock will, of course, carry over to next year and thus result in a lower cost.

Dry Casting

The increase from last year to this year of \$29 is due to the Club having to hire the oval for \$7 per meeting for a full year.

N.B. The Council commenced their charges in November 1972.

Badges & Transfers

During the year it was necessary to purchase 100 Club Badges and 100 Ratio Badges which cost \$322. We also purchased 40 Pocket Badges for resale at a cost of \$120.

To cater for the badges we conducted a '200 Club' Raffle which was very successful and financed these purchases to the extent of \$351. We now have sufficient badges to last several years.

Rent

We felt the impact of a 58% increase in rent this year and the total rent paid was \$169 against the previous year's \$114.

Trophies

Thanks to the very generous trophy donors and the efforts of the late Arch Ticklie this expense fell this year from \$135 to \$106. This is a splendid result considering the quality of the trophies presented.

Insurances

During the year your Committee reappraised the Club's Insurance Policies and although the cost of insurance has increased by \$40 we feel it was justified in bringing all members added protection.

All policies have now been taken out with the one Insurance Company to gain the best insurance rates.

Membership

Membership remained consistent and members for the year ended 30th April, 1974 can be seen as follows:-

Building Fund

The increase in the Building Fund for 1973/74 without the transfer of \$500 from the General Fund was \$461 which compares against the 1972/73 increase, without taking into account the raffle profit of \$201, of \$359.

This increase is mainly due to higher interest rates.

Conclusion

It can be seen from this report that we have not faired as well as expected even with the conducting of raffles and endeavours to minimise Club spending. It can also be assumed that costs will not level out in the short term let alone reduce.

Therefore, it is strongly recommended that subscriptions for seniors be increased to \$10, and juniors to \$3.

It is with reluctance your Committee make this recommendation and I would like to point out that subscriptions have remained at the \$8 for the past three years.

I thank all Members for their co-operation and assistance during my term of office as Treasurer.

D. Green A.A.S.A.

14 Ailsa Street,  
Wembley Downs. 6019.

10th July, 1974.

The Members,  
Surf Casting and Angling Club of W.A. (Inc.).

Gentlemen,

The audit of the financial records of our Club for the year ended 30th April 1974 has been completed in the usual way, following procedures established in previous years. All entries for the year appear to be in order and our Treasurer has again done a good job of work.

The financial statements prepared by him and submitted to this Annual General Meeting of members for your adoption; do, in my opinion, correctly summarise the financial activities of the Club for the year under review.

R.G. Klein (Chartered Accountant)  
Honorary Auditor.

A.A.A. REPORT

AUGUST 1974

A.A.A. of W.A. Report

All Surfcasters representatives were present at the July meeting, held on the 16th inst..

A heavy agenda was dealt with quickly and efficiently, thus enabling delegates to be home by 11p.m.

A report from the delegate on the Boating Facilities Enquiry Committee reported that a group of Governmental, Shire and other representatives inspected numerous sites and placed Pinneroo Point (Whitfords) first priority, Marmion was placed second and then on a smaller scale, Quinns and Burns Beach for boat launching facilities.

Records passed were:-

Gold Spotted Trevally - 9.08 kilos (20 lbs) caught by  
Dennis Edward Green at Cape Cuvier  
(shore).  
Good to see our new Club President  
notch his first State Record.

Samson Fish - 32.605 kilos (72 lbs) caught by  
Barry Duke at Ocean Beach, Denmark  
(shore).

Whilst on records, a good number of the W.A. records, since being processed through the South Australian body (who are Australian Recorders) are found to be Australian records. Shortly those members entitled to these certificates will be notified and on payment of the .50¢ fee will receive same. Our own State Recorders have been putting in a tremendous amount of work on this aspect of the A.A.A. activities.

There was a good deal of discussion on amateur netting on our metropolitan and closer beach areas and its control.

From the \$400 grant received from C.R.C., the Division has purchased a set of Salter 15 kilo scales (\$150), a large tent 12ft x 12ft with an 8ft annexe, and a smaller tent.

Due to licensing and safety, it was decided to fit safety brakes on the Division's new property trailer.

Members are reminded of the Convention to be held at Park Towers on Saturday 31st August at a cost of \$6 per head. Any Club member is eligible to attend and is encouraged to do so. It will commence at 2p.m. and during the meeting, the wives will be taken on a tour of W.A. Newspapers Ltd and see the "Weekend

News" printed. Dinner will be served at Park Towers and a social evening of wining and dancing will follow. Those intending going are asked to phone the Secretary L.S. Beeson on 356255 business and 303004 home.

A meeting of the Albany Carnival Committee was held on the weekend of the 14th at Albany and from this gathering came a recommendation (which has since become a motion) that sharks be excluded and that the points system be 4 pts per kilo and 1 pt per fish. This will be voted on at the Annual General Meeting, which is next month. The change of heart on the question of sharks has been prompted by letters of protest by eastern states associations, as over there they are regarded as vermin.

Don't forget the Drycasting trial at Wordsworth oval, starting at 8.30a.m. on Sunday 28th July. All members are eligible to cast. Entry fee is \$1.50. Members are also needed to help Roy Lundy run this event on the day, so if you are free and willing to help, let Roy know.

Entries for Club Team for Yallingup State Championship

At the July Committee meeting, I was elected Captain/Organiser of our Club team for the State Angling Championship at Yallingup on September 28th/29th.

It is hoped that there are a large number of our members interested and willing to fish in the Championships and, if selected, to represent our Club. Even if not selected, this should not discourage them from going down to Yallingup to fish in the Championship as anyone competing can come home State Champion and at the same time enjoy a fishing outing and perhaps learn a lot.

Before a team can be selected however, we must know how many are interested and available. If members wanting to represent the Club would ring me at home and give me their names so the wheels can begin early enough to fairly select a good representative team and encourage the others to go down and fish also and gain a lot of experience.

Field Day for July

Was held at Garden Island with 10 members attending and a total catch of 30 lbs, not one of our most successful catches, but one and all had a jolly good time, despite the boisterous conditions.

Day winner ..... Noel Knight, 10 lbs (mixed).

July Cast

Was blessed with fine weather and a good roll-up, nineteen members attending, the best since November 1957.

Ian McLennan completely emptied his spool on his first cast and consequently changed spools to break 100 yds for the first time.

Day winner ..... Bob Tucker.

WANTED URGENTLY : Stories : Suggestions :  
Criticisms

Opportunity knocks for all the knockers to put forward their own ideas to assist in making our Club "Reel Talk" "Talk!!!"

This is your page to fill, so get to work with pen and paper and give us your ideas now.

Here's a couple of examples of what we're looking for:-

"A Thought"

"T'isn't the size and number of fish we've caught,  
T'isn't the expensive reels and gear we've bought;  
Nor the fact that we've fished north of Triggs,  
With the most ingenious types of rigs;  
But the mates we've made in Tom, Dick, Harry and Sam,  
That makes this fishing worth a dam."
