NEXT GENERAL MEETING.

Our December General Meeting will be held in the R.S.L. Hall, Bay Road, Claremont, on Wednesday, 8th December, and will commence at 8.p.m.

INSTRUCTION PERIOD.

Once again the Festive Season is approaching, and, as in the past, the December instruction period will be devoted to a social evening, giving all Members an opportunity to relieve their captures over a small glass of ale, and also to just have a chinwag.

Refreshments will be on for members at no cost to them, except for the usual 2/- in, so don't miss this opportunity to join your Clubmates and celebrate the Festive Season.

NEXT COMMITTEE MEETING (DECEMBER)

At the time of going to print, a time and place has not been decided for our Xmas Meeting, but all Committeemen will be notified well in advance.

PAST COMMITTEE MEETING (OCTOBER)

Was held in the R.S.L. Hall, Claremont, and with a large amount of business to cover, this meeting did not conclude until 10.45 p.m.

SOLD YOUR RAFFLE TICKETS YET ?????? ???? ?

M E R R Y

C H R I S T M A S

As the opportunity does not present itself to see all Members at our Meetings, your President and Committee takes this opportunity of wishing you all a very Happy Christmas and a particularly prosperous New Year, especially in your catches of those members of the finny family.

To the wives of all members goes a very special greeting - for if they didn't let us go fishing, there undoubtedly would be no Club.

So to all members, their wives and families, your Committee wishes the very best for this the coming Festive Season, and may we all carry on our happy association for many years to come.

RAFFLE BOOKS.

THIS IS MOST URGENT.

With the December meeting the deadline for all Raffle tickets, it would be appreciated by the Treasurer if, as the books were sold, they were posted direct to Ted, to reach him not later than MONDAY 6TH DECEMBER.

This would enable our December Meeting to proceed without undue fuss, as there is a large amount of work in winding up, and the drawing of a raffle.

EMPTY books may be handed in at Drycasting, Sunday December 5th, Floreat Park Oval. to R. Kildahl.

DRYCASTING NEWS - NOVEMBER 1965

Casting was late in starting this month, as there was some doubt whether the junior cricketers were to use the Oval. Wet weather must have cancelled their game, but it did not deter the hardy anglers.

With the wind blowing from the right direction, and reports of good catches of schrapper, some members must have been tempted to try their luck, as only twenty three attended drycasting. So come on chaps - we'd like to see you too. Floreat Park Oval, December 5th.

It was pleasing to see Doug Savage along - thanks Doug for your help with the scoring - would like to see a rod in your hand next time. Also we have a new member, E. Stevens, who was looking for advice from members in selecting suitable gear. Hope to see him along again next month, as this is where you find help and learn accuracy, which, in the long run, benefits fishing ability from the beach.

Congratulations go to Bob Tucker in surpassing his record cast in the S.H. open by 13 ft., and the new record stands at 283 ft.

The longest cast in the level line distance was made by W. Bridger, 394 ft. followed by Ken Jones with 368 ft. and B. Utting with 362 ft. The heavy atmosphere kept casting down under 400 ft. The winner of this event was K. Hunt 276-180-456, second place R. Utting 336-105-441 and E. White 261-180-441, and third was R. Kildahl 294-145-439.

The D.H. Accuracy was set at 200 ft. and 140 ft. The top results were made by R. Jensen with 58/80 followed by R. Tidbon 53/80, and third was 52/80 by R. Kildahl. In this event 7 members scored with all 4 casts.

The S.H. Accuracy targets were marked at 92 and 72 ft. respectively. Most members did well, and nine scored with all four casts. The winner was R. Tucker 29/40 followed closely by K. Jones with 28/40 and third was W. Bridger with 27/40.

There were five members who scored with all of the eight accuracy casts, and the overall winners for the day were R. Kildahl 118 points, R. Tichbon 114 points and R. Jensen 113 points. There was only one member who reduced his handicap, K. Hunt from 180 to 174.

T. SMITH D.C.O. E. SULLIVAN (ASSISTANT)

STARTING TIME -- 9.45 a.m. DATE. 5th December.

NOTE: Sunday is a hard time to change those dollar bills - please have some change.

FIELD DAY, JURIEB BAY, NORTH HEAD, NOVEMBER.

Gusty Easterly winds, swinging around to all points of the compass. The Hot Spot Kingie Hole failed to come good and no worth while captures came from this area. The seaweed here was packed in the bay making angling conditions almost impossible for Members.

Excellent attendance on venue of 40 members and 5 visitors 1 junior. Travelling to Jurieb Bay, members found the roads much improved from last year, although rough roads, the track was passable, and later in the year the sand hills towards North Head area will be a great problem.

Pleased to see new member, E. Stevens along plus older members Doug Edward, Brian Mews, R. Hunter, N. Cross, not forgetting the Salt brothers, Kevin and Doug. Ted Savage captured a Sea Kingie and deserves special mention, and he now retains the Ken Mathews Trophy, 14 lb. line, 34 Slazenger R80. Other special mentions, Brian Mews' Tailer, 6 lbs. and visitor M. Boyd's 4 lb Pike was a beauty in any one's book. Several State records will be applied for. Bob Tichbon's Flathead and Warren Minnett's catch of a 1.1/2 lb. Sweep. Allan Livesey, Phil Neri and several of the lads weighed in some terrific size Gardies and the Herring were also great size. These fish were caught off the rocks at North Head. Ted also made his capture from this rocky area. Dave Latto weighed in an excellent bag and took off the Heaviest Bag of Scale Fish award. He followed the Master !! Bob Tucker who spied out a good channel towards the South End of the Bay, although strangely enough the previous night Jack Harvey, Bob Tichbon and Norrie Cross fished this area without much success.

Ron Shirley, Ron Kildahl, Bill Utting having battled the heavy weed at the Kingie Hole with no success, travelled up to the North Head area and became our new neighbours. On their visit to the Southern beach, Ron Shirley landed a shark which took off that section, and he also weighed in a nice Tailor. Ron Kindahl also landed 9 Tailor.

contd.

E. Edgar back to his usual form collected a good bag of Tailor while I looked on without getting a strike all night. In other words NO TAILOR PASSED HIM or Ron Shirley, Kevin Salt, and Doug Salt with myself were between both parties, and all we landed were heaps of weed !!! Phil Neri landed a Tailor and Doug Salt also.

Hew was unlucky to be pipped with his shark captures. He had two tries and landed 2 sharks weighing 10.3/4 lbs. and 10 lbs. John Jobin and Norrie Muirson were pleased with their captures of Tailor, Visitor Max Boys's capture of a 4 lb. Pike was the best of its size I've ever seen, and all the lads were amazed at the length of the fish. Phil Neri had a lucky escape when the surge of the water around the rocks pushed him into a deeper hole. He was helped out by Warren Minnett who was fishing nearby. Phil later carried on and landed many good size Gardies and Herring from this ledge. E. Edgar was also busy here with A. Livesey, and they weighed in some excellent Gardies and Herring.

Terry Fuller and Don Webb set up camp in one of the cement bunkers, and using heavy reels and line they tried for many hours without avail. These lads are really trying and only interested in the larger fish, and fished with heavy gear from the Rocky Reefs around North Head.

Sunday Night we noticed Les Tate, Hugh Gregory, Allan Livesey, and Ron Mansfield, Tiger Lilly hurrying along the south beach looking for likely channels. Here conditions varied with some anglers juggling with sea weed and others picking up Tailor and sharks. Horrie as usual entertained many of the Members and supplied many cups of tea. The cuppa I had was much appreciated.

Doug Edward also had a good camp site with all necessary requirements for camping complete with floor coverings. Norrie Cross and family called by and had a chat re likely spots etc., I'm sure he covered the area in all directions seeking the Tailor etc without success.

Ted Savage now has a claim towards Section 3 in the Field Day Competition. Using 14 lb. line is a splendid feat off rocks (unaided) (34 Slazenger Rod).

contd.

Even though the fish captures were down on last year's effort of 550 lbs, the lads enjoyed the venue and lived and dined very well.

Norrie Muirson had a minor breakdown on the track back to Jurien, however after some advice from Jack Harvey he was soon on his way again.

Noticed Doug Edward surveying the vegetation, and appeared amazed at the comfort we had in Jack Harvey's Combi. Jack did a mighty job of looking after our party, providing all comforts of home in his vehicle. The Club Tent provided shelter and reporting-in point for all members on the Venue. Don Webb kindly placed the signs as requested, which were a help to Members.

So closed another busy Field Day. Congrats to Award winners. My hearty thanks for all the help I received on Venue. Jack Harvey, Bob Tichbon.

Hoping for a good roll-up to the next Venue at Moore River in December.

J. STRONG F.D.O.

P.S. I believe Norrie Cross' daughter Anita landed an Electric Ray which gave Norrie quite a boot when he touched it with his boot.

FISH RECORDER'S CORNER.

The column in Reel Talk headed "outstanding fish of the month", is something your Editor and Fish Recorder is trying to give its readers each month. So if you catch a good fish and would like your mates to know about your good fortune, give the fish Recorder a ring, 39. 3014. The place of capture will not be printed without your permission. Just your name and the name of the fish and weight, plus anything unusual about the fish or the way in which it was caught.

OUTSTANDING FISH FOR THE MONTH.

KEN JONES, TOM VIVIAN, AND IAN EDGAR = SNAPPER.

Was told that Tom and his wife were very excited about the catch, after all, apart from being one of the best fish in our sea, and that they were caught on what we would call the wrong time of the year, and that 95% of his club mates turned green with envy, and the fish recorder almost cried when he was told about it --- what is there to be excited about. Jokes aside, very good catch: Tom, Ken, and Ian.

Joe Strange's Tailor of 13.1/4 lbs. is the best entered for some years and I think it will take some years to beat it. Also very nice to hear from Joe again. An interesting thing about the catch is that it was caught on 12 lb. line and was the first 1st entry in the book since 1961 to be caught with a Mulie as bait.

We have in our Club a crazy fisherman, who on his first trip to Garden Island could not find the right path and got lost.

Now finds so much fun at knocking Ron Shirley's 24.1/2 lb. Snapper off in the Open Competition with a 25.1/4 lb. one that he goes and knocks his own 25.1/4 lb. off with one of 26.3/4 lb. All I can say to this bloke is GET LOST AGAIN QUICK !!
