DRYCASTING NEWS - NOVEMBER 1968

This day commenced on a note of concern when it was discovered I had left the numbers for scoring L.L. Distance casts at home. My apologies to all inconvenienced by my carelessness. Members carried on in the best tradition of anglers used to overcoming difficulties, and some fine scores resulted.

John Devitt notched up a double for the day by winning the S.H. Accuracy 21/40, and sharing L.L. Distance honours with R. Johnson and I. McLennan. All three scored 90 points. Ron Johnson's Alvey combination also brought him the days longest cast of 463 ft. Ron missed the D.H. Accuracy by one point to Hew Hoy Yew's 54/80.

That "giant" of the single-hander, Bob Tucker increased his lead in the 3rd S.H. Open event to 834 from Hew Hoy Yew's 639. Bob still stands out a winner on the overall score table, leading 665 from Tom Corcoran 645.

Tony Smith's attempt on the Markers "Hide", although incurring a penalty for the cast, did nothing to keep him from lowering his handicap by 19. No extra points for Markers' hides chaps.

Next month brings us the 3rd Open Distance for D.H. Rods, in addition to --

L.L. DISTANCE HANDICAP.

LANCELIN-WEDGE ISLAND VENUE - NOVEMBER 1968.

What promised to be a bountiful venue turned out to be somewhat of a catastrophe as far as fish captures went. Considering the large attendance (74), the total poundage couldn't even reach 300 lbs., only 289.1/2 lbs. being weighed in.

I was rather pleased with the attendance and the manner in which the boys checked in, although there is still room for improvement. Remember all members must check in before fishing commences, particularly now that attendances are high. It makes Lofty and my job a little easier and should anyone get into difficulties, something may be done to help them. (Lofty and party for example).

When my party arrived at Lancelin we were greeted by quite a number of boys who were going to fish Wedge Island. After checking them in we erected the tent and from then on it was a continual stream of members arriving, checking-in, and then departing to their favourite "hot spots".

At around 3 p.m. we left for Ledge Point and met Ian Payne who had a Landrover for this outing. The first time we have ventured forth in style. We travelled about half a mile south and found a section of water that was weed-free for the time being, and got stuck into it. There wasn't much to get stuck into though except Stingrays and Wobbies - I should know, I caught three stingers and two Wobbies - all over the 20 lb. mark.

The weed shifted in around dark and it was a battle. However, friend Corcoran was doing things in style - collapsible seat and all, and around nine he managed to land a 30 lb. Grey Nurse shark. Have you ever seen the cat that caught the mouse !! I have now. I found out his secret; the weed had cleared where he was and after about an hour my efforts were rewarded with a 33 lb. Grey Nurse. Tom won't speak to me now.

contd.

contd. from 6.

Back at the weigh-in on Sunday morning to be confronted by a sorry lot of anglers - although there was the odd smiling face. I might add it didn't take long to weigh-in.

Ian McLennan looked set for the heaviest fish with a 9 lb. 2 oz Mulloway (a good effort Ian), and after a close shave with Alan Lauchlan's 8 lb. Salmon, he was finally beaten by a rather pleased Frank Dalgleish with a 9.1/2 lb. Salmon. Good to see one of our newer members "in the chips", and looks like my tip paid off Frank!

Meanwhile, Tom Corcoran was waiting impatiently for Lofty to arrive on the scene because at that stage we (Tom and I) didn't know who had the biggest shark. After some delay (and a few hot words I bet) Lofty and Co., arrived and Tom was put out of his misery. Imagine the F.D.O. caught the biggest shark and the largest bag of fish. Should be more of it.

Tom, however, took off the shark section for the venue, so that put the smile back on his face. By the way, has anyone seen a Grey Nurse riding back to Perth on the top of a roof rack?

Garry Dehring took off the Junior section with 4 lb. of fish, not up to their usual is it?

I will again keep you all in suspense with regard to the "Mystery Poundage" award. These awards are well worth winning, so come to the meeting and sit on the edge of your seats until the announcement!

See you all there,

GEORGE HOLMAN, F.D.O.

MOORE RIVER FIELD DAY - DECEMBER.

Once again our Christmas venue will take place at Moore River, (Guilderton) on Saturday and Sunday 14th and 15th December 1968.

It is hoped fish will co-operate considerably more than they did at Lancelin.

Fishing will commence at 4 p.m. on the Saturday, and cease at 8 a.m. on the Sunday. Weigh-in will be between 9 a.m. and 10 a.m. at the Club Tent.

The Club tent will be erected in the camping area near the river at around 1 p.m. on Saturday, and I will be in attendance from then until approximately 3 p.m. to check you all in. All members must check in during that time or they will not be in the venue. Those members having to work and who will be arriving late may give me their names on Wednesday at the meeting.

Bring your fly repellent and SOME mulies. The left overs from Lancelin. You never know, there may be a few fish about!
