Signing on and weigh-in is compulsory and failure to do so may mean the loss of all points for that field day.

Entries for Game Fish Badge, Club Records and Open Fishing Competitions must be lodged with the recorder within 30 days of capture.

### GENERAL ETIQUETTE

If you intend to resign from the club a letter of resignation should be forwarded to the Secretary.

Please assist the Treasurer by paying your subscription within 28 days of the Annual General Meeting. Arrears of 3 consecutive months may cause forfeiture of membership.

## PRESIDENT'S REPORT DECEMBER 1987

Quite a good attendance present at our last meeting and a good deal of club business was dealt with. The January long-weekend was looked at and it was decided to fish the standard long weekend times. The meeting also voted on a Wedge Island and Wagoe venue.

Sid Whiting reported that our yellow pages book delivery was for Saturday, 12th December, this posed a problem as this was our December field day. The meeting decided to do the delivery on the due date and alter the field day to a local open venue, with fishing to commence at 12 midnight an unusual but necessary innovation. Sid is having another meeting at his house on December 18th to make the necessary arrangements and aims to have a social drink afterwards. Will all who can help please attend this meeting or at least let Sid know. Lee and Nella's Morley Glass will be the starting point as before.

Congratulations to Lee and Nella Clifton and their social committee on the very well organised "FUN NIGHT" at their ranch. Our club and the Fremantle fishing club combined for this event. It was great to see both clubs enjoying each others company and we look forward to more of the same. Both clubs benefitted from the profits of the night.

The feature of our last meeting was the visit by the State Manager of Shimano, Neville Free. Neville bought along a full range of all their latest styles of reels (spinning, baitcasters, rear drag, lever drag, overhead and game reels.) A very informative instructional period was devoted to the reels and after the meeting closed club members showed great interest in the samples he had brought. Neville also showed two videos. The first was on boat fishing and the other on beach fishing, featuring of course, the best fishing rods and reels.....Shimano!!! Thanks Neville, your effort was very much appreciated.

There have been a few fish caught locally of late the main feature being tailer, that rare fish we haven't seen much of lately. Our recent Long Point field day saw a group of us fishing a nice school of good sized choppers for about four hours. I hope there's more to come for us all.

CHRIS GADIE

Our hearts go out to Charlie Gadie  
at the recent loss of his wife  
Chris.

Chris was a diligent supporter of  
this club and a regular at our  
meeting every month.

Her face will be sadly missed  
by all.

SHE filled my house with flowers  
and I helped her look for rainbows  
she understood so many things,  
the importance of laughter  
and that each moment is forever  
she dreamed impossible dreams,  
smiled at strangers  
because they might be lonely  
and loved music, bells and butterflies  
I'll think of her on sunlit days  
and see her smile  
in every flower . . . . .

## LONG POINT- SAN REMO

### SEA AND WEATHER CONDITIONS

Very windy with lots of chop on the Saturday (sea breeze). A gentle Easterly with a flat sea early on Sunday morning, which soon turned into an early sea breeze.

We had a bit of rain on the Saturday evening, otherwise, very nice weather conditions.

Well folks, it was a goodie! We really hit into the choppers on the Saturday and had a tremendous time.

Most of us did anyhow! The Reeley's went to Long Point and fished long and hard for little result. Scott and Brett Reeley fought it out to decide which one would get the special trophy (a small tackle box). Both boys managed to catch a trumpeter each, but Scott's, trump was bigger. Well done both of you!

The rest of us headed down to San Remo. We arrived there at around 2.30pm, walked down to the beach to have a look (no vehicles are allowed on the beach there). Having spent all of ten minutes looking at the water, we headed back up only to be met by the ranger, binoculars in hand and walkie talkie at the ready. He must have seen us as we drove by in convoy and decided to check us out.

The D'Alonzos headed for South San Remo, the rest of us stayed up at the north end. As soon as we got down the trailer were there. Not only that they stayed there until dark, sometimes coming in stronger sometimes fading a bit.

It was quite obvious that our group was doing better than anyone else on the beach. This was because we (almost) all had the right gear (long surf rods) and the casting Know-how to get our baits far enough out

8

Speaking of casting, Alan Carr had at least six break offs during the weekend. Either he needs new line or he needs to join a casting club!

Mal White got a beaut bag of fish (49 choppers) then had the cheek to take them home, dump them on the kitchen sink and make his wife clean them!!!! This was at ten o'clock at night!!!

Ian Taggart couldn't get down until 4am Sunday. As the choppers didn't come in on the Sunday it was really a case of "you should have been here yesterday."

The D'Alonzo caught some fish at the south end, but the north end was really the 'hot spot'.

This was an excellent venue. It was economical, both in financial terms and in time. The weather was good, the company even better and the fishing was absolutely great

All of you people that want short venues for little cost, this is the type of field day to come on. How about a few more of you try to get out for this type of venue- share vehicles the reduce your costs. Come along with the rest of us to get that club feeling- you might even go home with a few fish.

Tight lines,  
Sharon

## **SOCIAL REPORT DECEMBER 1987**

The combined social night with the Fremantle Club was a huge success. I would like to thank everyone for coming and for their support in our raffles etc.

The total amount raised was \$435.00, this amount will be divided between the Fremantle Club and Surfcasters.

A special thanks to everyone who came along and helped to set up for the night. A extra big thank you to Ric Parker for helping to clean up the next day.

Ian Cook had good intentions ....he intended to clean up but after retiring with a bucket the night before was somewhat incapable.

Hope to see more S.C.A.C. members next time.

Leigh Clifton.  
Social Organizer.

### **DECEMBER MEETING**

This is the Christmas meeting. Please bring a plate and the club will supply the drinks.

### **ANNUAL DINNER DANCE**

This is to be held on JUNE 12TH 1988.

X M A S P A R T Y

WHEN: SUNDAY DECEMBER 5TH 1987.

TIME: 12 NOON

WHERE: DENNIS STIGLMAYER'S  
5 BRAY STREET  
BEECHBORO W.A.

B.Y.O. FOOD AND DRINKS

Any parent wishing to provide presents for Santa to give their children they are asked to keep the cost to approximately \$5.00.

**BADGES**

Presently under discussion is the possibility of organizing badges for club members.

Badges would be for recognition of club service in 3 ways:

1. Length of time in the club. This could be in five year time slots eg. 5year, 10year, 15year.
2. Number of field days attended. Casting days would be recognized as field days. These would begin for 50 field days attended the 100 etc.
3. Recognition of the end of the year top ten. Only the top ten would get one. The juniors and mini-juniors might only be the top two. Ladies would be considered in the top ten seniors.

The badges under consideration would be strip badges and would be in the club colours (if we can arrange it)

Examples:

Estimated costs is between \$3.00 and \$4.00 per badge. We could use the field day money to put into a fund to pay for the 'top ten' badges.

How do members feel about this?

Please let your executive know.

Sharon Osborne.

## DUTCH OVEN

THIS PAGE IS DEDICATED TO  
THE CAMP CHEF.

### SOUSED HERRINGS

SHARON OSBORNE

6-8 herrings  
45ml (3tbs) Dijon Mustard  
25g (1oz) capers  
8 gherkins  
450ml (3/4pint) wine vinegar  
4 bay leaves  
Carrots- sliced thin into  
julienne strips

2 cloves  
25g (1oz) sugar  
12 allspice berries  
5ml (1tbs) salt  
2 onions, sliced into  
rings

1. Set the oven at 150degrees C, 350 degrees F. Discard the heads and tails from the herrings and clean the fish thoroughly. Remove the bones and press the fish open, skin side down. Spread with mustard. Place a few capers and a gherkin at the head end and roll the fish up. Secure with cocktail sticks.
2. Place the onion rings and the carrot strips at the bottom of an oven proof dish, pu the fish on top and add the vinegar and the water. Add the remaining ingredients and cover with a lid or foil.
3. Bake for 1 and half hours. Transfer the fish to a serving dish, strain over the cooking liquid and chill well.
4. Serve cold with bread and salad.

Serves 6-8

"EDITOR'S NOTE"

On a sad note, this club witnesses the passing on of a very dear club member. Chris Gadie will be missed by all and our most sincere condolences go to Charlie in his sadness.

On my recent trip to Esperance I must admit I was worried about the cold and wind and not being able to fish because of those frightening elements of which so many people talk and those which make beach fishing so uncomfortable at times. I need not have worried, the help and friendship given so freely by Tony Richardson transcended all- My Esperance trip was a resounding success thanks to Tony and a new found friend in Bruce Mihan. Bruce is the proprietor of "Southern Sports and Tackle". If and when you are lucky enough to go to Esperance look Bruce up-if you don't then your Esperance trip will be that much less colourful and certainly less enjoyable.

THANKS TONY.....THANKS BRUCE!

Sometime next year this club will be travelling down to Esperance on a "FISHING SAFARI". The time is yet to be decided upon and at the next general meeting I will be asking for feedback to my proposal. We will be calling for a show of hands so please, if you wish to be a part of this adventure then come along to the next general meeting and express your support.

There will be lots of organizing to do ie: bookings etc, so the earlier this is started the better organized we will be at the time of departure.

I must comment on our night out at Lee and Nella's but what can I say - Thanks Lee and Nella- "TOP NIGHT".

It seems to me that our club is running at about 100 M.P.H. this year- lets keep it up.

I am only a new face in the club yet it seems to me that on "Nostalgia Night" there appeared a lot of other new faces. On asking if this was the case I find out that no, in fact these faces were belonging to long standing members of many years. Come on fellows get involved again you don't know what you are missing.

In January we would like to incorporate a section in the Reeltalk that summarizes the year up to Xmas and we would like to have some photographs, editorial or some such. Please help by bringing something to the next general meeting.

Many Thanks..... Ed Bob.....
