NEXT GENERAL MEETING.

Our February General Meeting will be held in the R.S.L. Hall Bay Road, Claremont, on Wednesday 9th February 1966, and will commence at 8 p.m.

INSTRUCTION PERIOD.

It has now been some time since the Club has had an instruction period on "Reading the Beach". So many of us are inclined to just drive to the beach, walk straight across the sand and send our baits sailing about 80 yards straight out, into possibly wet sand, where if we had spent about 5 to 10 minutes in careful study, we would walk a little extra perhaps but would be fishing in a nice channel or gutter, with the possibility of much greater captures. Bob Tucker will give a few hints on this subject, and to round the evening off, Ron Shirley will discuss an all important subject - the maintenance of the Mitchell Reel, so if you have any problems in this department, this will be the time to enquire.

NEXT COMMITTEE MEETING (FEBRUARY).

Will be held in the R.S.L. Hall, Bay Road Claremont, and will commence at 7.30 p.m. sharp on Wednesday 16th February.

PAST COMMITTEE MEETING (JANUARY).

Was held in the R.S.L. Hall, Bay Road, Claremont, and with a fairly large amount of business to cover, this meeting did not conclude until 10.30 p.m.

INSTRUCTION PERIOD. for this meeting may be changed. Roley McKay has indicated his willingness to a further discussion on fish to our club.

MEMBERS & FAMILIES PICNIC OUTING, SATURDAY FEB. 26TH, GOLDEN BAY.

Benue to be held Saturday afternoon. Members are asked to report to Hugh Gregory or Jim Strong. Club signs will be erected and Flick Rods to be used by Members. Wives can use Flick Rods or Double Handed, whichever they prefer, depending on weather conditions.

All fish captures to be weighed in at 8 o'clock - Sections as listed --

- Childrens Sandcastle Building Competition 4.30 to 5 p.m.
- Heaviest Scale Fish - Members.
- " " " - Ladies.
- " " " - Children.

Picnic to commence at 4 p.m.

The Committee are hoping for a good attendance at the Picnic outing. If the members favour the outing, more of these picnics will be arranged during the summer months. Bring your families and enjoy a pleasant outing with your fellow Clubman - pack a picnic tea and fishing gear and come along, we are sure the children and wives will enjoy the outing.

DRY CASTING NEWS - JANUARY 1966.

Apparently most members were on holidays at this time of the year, as there were only seventeen at this month's venue. Warm weather gave us a pleasant day, and the boys enjoyed the iced lemon squash. Glad to see our new member George Holman along participating in our events, and look forward to seeing him again next time.

As the numbers were small, only one group was organised for the morning. In the L.L. distance, the longest cast was made by Allan Bunnett with 399 ft. and B. Hanks 375 ft., and Hew Hoy Yew 360 ft. The winner of this event was B. Hanks, followed by R. Tucker second place, and R. Tichbon, third.

D.H. Accuracy was set at 80 yards, and was won by R. Tucker with 44/80, and H. Barrott 42/80, and T. Smith with 40/80. Three members scored with all four casts.

S.H. Accuracy - these were set at 126 ft., and 96 ft. The winner of this event was also R. Tucker with 23/40, second place to A. Bunnett with 17/40, and third R. Jensen 13/40.

Overall winner for the day was R. Tucker with 115 points, second A. Bunnett with 90 points, and D. Talbot 83 points. Only two members scored with the eight accuracy, R. Tucker and D. Talbot.

Three members broke their handicaps - R. Tucker from 119 to 105, R. Tichbon from 153 to 151, and B. Hanks 117 to 97.

ON TARGET.

Roll up boys - prawn net making lessons are still available from Ern White, just bring your fishing line - Ern knows how to knot them! Dry Casters now have their own mobile unit for carting equipment - one man powered wheel barrow (rubber tyred too!) New reels have their problems, don't they Mac? Bring your old faithful next month. Next time lemon squash is provided, you will have to pay to 'wash in the squash'.

Following is a list of Scores as they now stand, with January scores first.

A. Bunnett	90 - 841	H. Barrott	71 - 484
R. Tichbon	68 - 793	M. Dawson	A - 477

DRY CASTING ORGANISERS.

ALL CLUB COMPETITIONS - DRYCASTING AND FIELD DAY.

As this year's competitions are rapidly coming to a close, they finish at the end of April, and with the new competitions starting on the 1st May 1966, it is the Committee's sincere request that members give these important aspects of your Club's activities their fullest thoughts and co-operation by putting forward ideas or suggestions, new or old for consideration.

It is by getting ideas from members, collecting them and giving their suggestions for improvement to Club competitions, of benefit to all members that your Committee can put forward the best possible competitions. Surely this is not so very difficult, especially if you have already some ideas formulated as to what improvements you would like to see made in either one or all of your competitions. So regardless of how bizarre they may appear, put them on a piece of paper and hand them on to a Committee member. It's as easy as that.

Possibly most members are happy with the present competitions. If you have suggestions send them in, if you are happy with things the way they are, please say so. This is the only way your Committee has of really assessing the value of the competitions to members.

Members have been heard to say "leave it to the Committee, they will fix it, that's what they are there for". This is not completely correct. The Committee wants to help you make YOUR decisions not the Committee's decisions. This is your Club, your responsibility, and they are only in office to help members in the management and good ruling and running of it.

To any member who may have given this matter consideration as to alterations etc., to the benefit of these competitions and to all Club members, will they please forward these alterations etc., to the Committee man or hand in at our GENERAL MEETING FEBRUARY so that they can be perused by Committee in February and they can be printed in March issue of "Reel Talk" for adoption or alteration by the general members in March for our present competitions finish on the 30th April, and the new one starts on the 1st May.

FIELD DAY TIM'S THICKET, JANUARY 15/16TH, 1966.

Gusty southerly winds, beaches near reef area all heavily weeded. Tailor mainly absent from immediate area with only eight or so being landed. Many hours were spent by Members in deweeding operations.

Attendance on venue, 39 members, 2 visitors and 2 juniors making a grand total of 43 lads. Track into reef area heavily sanded. This venue was almost a Car Trial Rally. Many members arrived by a variety of bush tracks, several members left their cars and walked the remaining distance over the sand hills to avoid the soft sand.

Pleased to see our old friend Archie Ticklie on venue. Glad to have you back Archie. Ben Elliot, Alf Rutland, E. Brown were also noticed fishing on without results. Also new members R. Ginby, G. Holman, also Horrie and E. Edgar and Norrie Cross who journeyed down from Pearce to attend venue. Ted Horsley arrived with Bob Tichbon with Ted taking off the heaviest bag Section. Tom Vivian arrived in his Landrover with his Wife and family. Tom and Norrie Cross, Allan Bunnett plus Ted Horsley, Bob Tichbon travelled further South to a Point called the "Ledges" where the only good report had been received. This country was only suitable for Landrovers, the tracks being hopeless for sedans.

Allan took off down South with D. Salt who remarked later the excellent fishing areas down there. Allans bag of 10 Tailer were an eye opener and surprised many of the lads at the weigh-in.

Close to base camp at the nearby reef, I Edgar, John Tobin Horris Muirson were observed spinning for tailer, and Horrie opened his account with a good sized Tailer for those waters. However that was the only one landed for many hours.

On the beach John Harvey, I. McLennan, myself and Kevin Salt battled with the heavy weed without success. In some cases the weed was gaffed and carried ashore by two of us, otherwise we would still be their trying to retrieve our gear. Kevin Salt in the meantime landed 4 chopper Tailer. In the nearby bay, Ben Elliott and Alf Rutland carried on without much success, although Alf did land a

contd.

Mulloway. Most of the members retired early and prepared for an early start in the morning.

Don Webb, G. Windus, Terry Fuller and Hew Hoy Yew also noticed spinning in many bays without results and like myself remained fishless.

In the morning easterly winds, and once again the Tailer failed to show, though John Harvey surprised us all when he landed 2 tailer. Back at camp at the weigh-in time I wondered if we would record over the 25 lb mark. Then the lads from the far south end arrived, all smiles, the tailer were small but plentiful. Ted Horsley, Norrie Cross, Bob Tichbon soon headed the list of fish captures, also Tom Vivian had Tailer to weigh in, Bob's group taking off the two Sections. Later Bob Tichbon kindly handed around many tailer, also Allan Bunnett contributed his share to the unfortunate anglers who missed out. Thanks lads, the Tailer were very well received.

Warren Minnett had a good bag considering the conditions. There must have been some Bays further North without the heavy weed, - give me the northern beaches any time.

Our party travelled down in John Harvey's Combi, who did a mighty job of looking after us. The Petrol stove in the Combi did an excellent job and John cooked some mighty meals which we sure appreciated.

Visitor Bill Smith mentioned he enjoyed the outing and said he had never seen as much weed anywhere in his life. No doubt the strong southerlies have blown the weed off nearby reefs. This area appears popular with the Surfies who were seen speeding through the sand shifts in clouds of dust, and at times coming to grief.

So closed the venue at Tim's Thicket, personally the Surfies can have this area. Next venue Lancelin, hoping for a good attendance, there will be plenty of scope for anglers to look around for good water. Many thanks to all who helped, and congrats to award winners.

JIM STRONG F.D.O.

FISH RECORDER'S CORNER.

After waiting some months, the Sand Whiting has finally come to hand, thanks to Eric Sullivan. Eric and Denis Bodle once again had quite a good fishing trip with good bags of Tailer and Malloway, with Eric taking two State and Club records Sand Whiting, $14\frac{1}{2}$ oz, and a dart 1 lb. 9 oz.

Eric and Denis tried the theory that the fish have Xmas dinner, so went fishing on Xmas day.

((Didn't any other member catch any fish over the Holidays (Editor).))).

ANNUAL DINNER, DANCE AND PRESENTATION OF TROPHIES.

The presentation of Trophies and Annual Dance will again be held at Hackett Hall, Floreat Park on June 25th and as in previous years, this function is to be restricted to FINANCIAL MEMBERS ONLY.

As last year's dinner, Dance and presentation of trophies was voted such a success by all members who attended, and which as far as I could see could not be improved a great deal, it has been decided that the same procedure will be adopted for a similar evening for membersthis year.

This evening's entertainment for members is entirely in the hands of our Social Organiser Hugh Gregory, who will explain the pros and cons as they come to hand, but I would suggest to all members that they let him know as soon as possible whether they will be attending this all important club function, and making it the success it was last year.

OLD REEL TALKS.

It was suggested during one Committee Meeting that the Club should have a complete bound Volume of all "Reel Talks" issued by the Club.

To start this project moving, Ted Savage has donated all his old "Reel Talks" since he joined the Club. These books date from September 1957 with a few exceptions to the present date.

If any member would donate any of these back copies, please contact R. Kildahl, 14 Excelsior St., Shenton Park, Phone 8-4680.
