JANUARY GENERAL MEETING:

There wasn't a great attendance (which is to be expected for this time of year) to see our new members Peter and Sharon Osborne receive their Club Badges. We wish you and your family many happy years in the Club.

150th Anniversary Certificates, signed by Sir Charles Court, were presented to our State Drycasting Championship Team, namely; George Holman, Gus Sussmayer, Stan Renshaw, H. Hew, Gary Gildersleeves, Eric Parker, Trevor Stam and Peter Conroy.

Club Record Certificate for Drycasting was presented to Hewie for a cast of 158m. in the Open Distance event last drycasting day. He broke the existing record held by Eric Parker of 154m. Eric was also presented with a Certificate for this record as it had been overlooked by the Club when he originally set it. Bette late than never. Congratulations to you both.

Hewie gave a report of combined Open Field Day/Christmas Party, with special thanks to Henry Bester, Brian Leicester (the adults know why), Darryl and Marie Retallack. It was voted overwhelmingly to bestow a two year Honorary Membership on Darryl Retallack who, because of other commitments, has tendered his resignation. This is a very small token of our appreciation for the many contributions Darryl has made, with particular regard to materials, equipment, time and effort, for Kalbarri House.

We have been selected to run the A.A.A. teams and open Drycasting events this year and with the new A.A.A. ruling that Clubs running events shall receive one third of the profit, should give a little more incentive.

Tony Richardson gave a report of a fishing trip to Steep Point with Tony's wife, Jackie and Andy Tuvik. To describe it in Tony's words, "Magic". They caught 25 mackerel, plus some Cobia and schnapper in the first three days. Unfortunately they had to leave as their freezer was giving trouble. Tony suggested if anyone is interested in catching sharks, this is the place to go. And a fishing report with not such a happy note- Ron Flynn, Stan & Norm Renshaw had their reef stands and tripod stolen from the beach at Wedge Island. So if you're in this area at all- watch your gear.

The \$2 note was won by Pressy Leicester. The meeting then closed and a very interesting film of South Africa was shown by Brian Leicester which was taken while he and Fran were on their recent trip. The scenery of this country, especially Kruger Park was really something to see, although if you ask around, you may find that a lot of the boys found the Zulu village much more interesting than the general countryside. All in all, a very good film, well worth seeing.

DRYCASTING REPORT FOR JANUARY:

Records are made to be broken or so Hewie thinks. Your Committee ratified a record in the Open D/H distance event set by E. Parker a few years ago. This was 154 metres. Not to be outdone Hewie tossed a beautiful cast to set a new distance of 158 metres.

If you came casting on Sunday 6th January and stayed on for the "Open" you would have seen this cast along with other creditable distances. However, we had the company of 22 seniors and 3 juniors casting, which is a good roll up for the holiday season.

Nice to see Peter Osborne bring wife Sharon and children down for the morning. Sharon cast quite well and when she gets it altogether, will be pushing the scores of the other lady casters I'm sure.

Senior winner on the day went to Hewie with 140 points. Nobody was more surprised than he. To round off a good day he tallied 71 points for D.H. accuracy which is the best result for years, only 1 off a long standing record.

Junior top on the day was Clay Freind with 83 points. A consistent effort by this lad, who should be a top caster in seniors next season. I suggest you talk to Geo Holman about your run up you have developed in accuracy events. He helped me with this problem myself some time ago. I'm sure you will improve with expert advice.

Poor old "break off" Parker. After getting the Royal Raspberry from all and sundry for a B/O on his second cast, he proved his masterly ability with yet another break-off with his third cast, much to the delight of an audience of 24 casters. Ric said the heat got to his line, but we know different don't we casters?

I don't know why more casters don't enter for the open events. The idea is to allow us all a chance of putting 2 casts down without pressure of break-offs, without worrying about penalties for distance events. This is the chance to test your personal skills and to improve on them. It only means an extra 10 minutes and please don't be concerned about how good or bad you think you are. Our next cast is February 10th. Usual events plus D/H Open. Please come down to cast with us and also enter in the open.

While I think of it, to Jimmy Strong, no you weren't at wasting the day you thought you were, I checked the score sheets and your name wasn't down, however, if you needed to be at casting??? The mind boggles! Did anyone see Jimmy at casting in October?

I hope you have all entered for the Bunbury casting weekend on the 2nd and 3rd of February. You can be assured of good fun, keen competition, and wonderful hospitality.

I wish you the best of dry casting and good results with surf casting at Greenough on the long weekend. There should be enough fish for all...

Regards,

Peter Conroy

A little boy was taken to his first seance and was asked if there was anyone he would like to speak to. 'Yes- I'd like to speak to Grandpa', he replied.

The medium went into a trance and after a few minutes, a voice said, 'Hello, Johnny- this is Grandpa speaking to you from Heaven.' 'Hello Grandpa,' said the little boy.

'What are you doing in Heaven- you aren't dead yet!'

The old miser put three cents on the table as a tip for the waiter. The waiter, pretending thanks, said he would like to use the three cents to tell the man's fortune. The old man agreed.

"The first cent," said the waiter, "indicated that you are very frugal. The second cents tells me that you are a bachelor." "That is correct," said the miser, "Now what does the third cent tell you?" "It tells me," replied the waiter, "that your father was also a bachelor."
