NEXT GENERAL MEETING.

Our January General Meeting will be held in the R.S.L. Hall, Bay Road, Claremont, on Wednesday 11th January, 1967, and will commence at 8 p.m. sharp.

INSTRUCTION PERIOD.

THIS period will be devoted to a film evening, a bit quieter than our Instruction period in December !!

NEXT COMMITTEE MEETING ( JANUARY).

Will be held in the R.S.L. Hall, Bay Road, Claremont and will commence at 7.30 p.m. sharp, on Thursday 22nd January, 1967.

LAST COMMITTEE MEETING (DECEMBER).

As this was a Christmas Meeting, our President, Jack Harvey invited the old Committee and their wives to help present Committee celebrate the Festive Season at a barbeque, which was held at Jack's home.

This was an outstanding success, and thanks are due to Jack and his wife Phil, in opening their home for this occasion.

The meeting closed late -----.

CHANGE OF VENUE.

Due to another Club fishing in the Lancelin Area, our January Field Day has been changed to Wedge Island. This Field Day will still be held on January 14/15th.

CASTING DAY CHANGE.

As January Casting Day falls on New Year's Day, and so on a long weekend, the Committee has decided to change this day to the following weekend, January 8th.

NOTICE OF MOTION.

The Notice of Motion proposed by Bod Klein, and seconded by D. Salt, was passed at the last General Meeting.

Rule 2, Paragraph 1 now reads : -

"An Annual Meeting of the Club shall be held in each year after the 30th day of June, when all Officers and the Management Committee shall be elected, and financial statements for the preceding financial year ended 30th day of April shall be presented."

DRYCASTING NEWS - DECEMBER, 1966.

Drycasting was off to a good start this month with an attendance of 27 members and 1 visitor. The morning was very warm, but this did not deter the boys from good casting. The field was set out with a following wind behind us, and many members thought this would be a help, but the heavy atmosphere reduced distance results.

In the L.L. Distance, the winner of this event was R. Tichbon, and the longest cast was made by W. Bridger.

In the D.H. Accuracy, two members tied for first place, R. Kildahl and R. Tucker with 54/80. These two boys are still fighting each other for top honours in this event as from February 1964, R. Kildahl hit the top score with 65/80 then the same year R. Tucker evened it up with another 65/80 in August. In 1966, R. Kildahl also equalled the score in February, and in July R. Tucker once again made this score. Come on lads lets see someone better this. Second place went to W. Bridger with 49/80, followed closely by T. Smith with 48/80.

S.H. Accuracy - D. Talbot scored a nice bull right on target which gave him a lead of 32/40, and in second place N. Knight 25/40. Third was R. Tucker with 24/40.

This week was the third of the Open Distance, and a new name, but an old member comes into focus with a lovely cast of 420 ft. Well done Noel Knight!

The winner of the day with total points of 122 went to R. Tucker.

FIELD DAY VENUE - MOORE RIVER - DECEMBER 1966

With the last field day of 1966 taking place, it was gratifying to see 47 members and visitors on venue, especially with Christmas just around the corner.

However, the fairly strong and gusty sou-wester gave the water plenty of movement, and it certainly looked full of fish.

The Club Tent was, with some difficulty, pitched by willing hands, who, after struggling quite hard with the wind, and after having pegged it down, found that we had put the canvas on the frame back to front, and had to take it down and begin all over again. The fact that it was still standing the next morning bears witness to the fact that we did eventually get it up!

As is usual, the four-wheel drive brigade headed for the hottest fishing spots away up North, and left us less fortunate ones to walk to the local beaches, where, of course, we knew there would be no fish.

Alan Bunnett informed me that half the population of Perth were fishing at the Reefs and the usual scramble ensued with the less well mannered anglers casting over and jumping in front of other anglers. (As you may have noticed the current Sunday Times fishing column featured a paragraph regarding fishing etiquette) On this point, I would ask Club Members to remember that it is up to us, as representatives of a reputable Club, to ensure that we are never guilty of such ill-mannered conduct, and that while our previous unwritten rule of allowing 25 yards between rods is somewhat unpractical these days, at least don't foul up your neighbour's fishing by crowding too closely.

As things turned out, the beaches close to the river mouth were the bonanza spots; and I must confess I was one of the lucky ones.

The Tailor were on the bite by 4.45 p.m. and almost every cast produced a fish. Terry Fuller, Jim Strong, the two Ron's and several others were all giving it a go in this area, but the biggest

contd.

congregation of fish seemed to be in the spot where Terry's and my line was dropping. Even a few yards either side produced very little, which proves you have to be lucky!

By about 6.45 the run had disappeared, and one or two who came down about that time found they had missed out.

Bob Tucker and Hew Hoy Yew were also out of luck, a couple of hundred yards further North, catching only one or two in the evening.

George Holman walked a considerable distance South and managed to find a purple patch.

Amongst other things caught in the evening were two crayfish, nicely tangled in the lines after a good feed of Mulie.

The morning caused a certain amount of dismay to the boys on the North Reefs. Far from getting the expected easterly the wind was still blowing fairly strongly from the Southeast and the expected haul of Tailor did not materialise.

The sea had increased quite a bit, and with the tide out was pushing some fair sized rollers up the beaches, bringing more weed and sand close in.

However the Tailor were still along the beach and luck still seemed to be on our side, and many added quite a bit to their overnight tally. All in all, quite a reasonable aggregate catch of 299 lbs with 38 from a total of 47 weighing in.

The total catch for the year so far has reached 2640 lbs. which shows an average catch over 9 field days of 293 lbs, which I think you will agree is quite good.

With three field days to go, let me wish you all a run of personal records, and a run-a-way start to 1967. Wishing everyone a happy and prosperous 1967, and, good fishing!

A SURPRISE VISIT.

Received a ring from Ian Brown - he was worried - Kewdale Primary School fishing was having a presentation of trophies ceremony and he was unable to attend and couldn't contact Doug Edwards, as he didn't want his young friends disappointed.

I promised to contact Doug, or if I failed I would go out with Ian, much relieved hung up.

I rang Kewdale School, contacting Tom Corcoran, the President of the Club, and advised him that our Club would be represented at his function.

On contacting Doug, he was delighted to go out, so I arranged to meet him there on Monday 12th at lunchtime.

I arrived there with a bit of swank in our Club Blazer, and was met at the gate by the young Club Secretary Dominic Paoliell who escorted me to the class room and introduced me to the President.

Doug was enjoying a cup of tea and I soon likewise, while the youngsters were mopping up the party fare, soon the meeting was to begin. We were introduced to the meeting, and what a welcome we received.

I spoke a few words, congratulated them on the design and emblem of their Club Shield, and thanked them for their letters to us and called on Doug to present the trophies. They were as follows:

- Casting Aggregate Boy -- Roy Bamford
- " " Girl -- Judy Browden
- " " 2nd --- Mervyn Stewart.
- Hardest trier -- Warren Crisp

each winner thanking the Donors for their trophy. Then Dominic the secretary thanked our Club for the help given and mentioned helpmate Andy Milgrave for his usual kindness and advice.

A bit of casting advice to a youngster in trouble with his and it was time to get back to the rock pile. So ended an enjoyable experience.

WEDGE ISLAND VENUE, JANUARY FIELD DAY 1967.

As the Off-Shore Angling Club are holding a Field Day at Lancelin on the same day as our own, the venue has been changed to Wedge Island.

Fishing commences at 4 p.m. and caases at 9 a.m., with the weigh-in being conducted from 9.15 to 10 a.m.

Both sets of scales will be set-up at Wedge Island, and all members on Venue will be expected to weigh-in between these times.

The Club Tent will be set up to the left of the track on the way to, and about  $1\frac{1}{2}$  miles, from the Settlement. A Club sign at the edge of the track will indicate it's position.

Members may fish within a radius of 15 miles in either direction from the Club Tent.
