NEXT GENERAL MEETING:

The next General Meeting will be held at the Buffaloes Hall, Onslow Road, Shenton Park on Wednesday, 14th June, 1972 at 8 p.m. sharp.

INSTRUCTION PERIOD: It would appear that because I occasionally win a field day, a few members want to learn a few secrets, as I have been asked to give a lecture on reading the beach. I am prepared to do this, but I don't profess to know everything about this topic, as I'm still learning. But, with a little assistance from our more knowledgeable anglers, I am sure I can help a few of our newer members at least. Have a think on this subject, or any other for that matter, before our next meeting, and I'll see if I can answer your question or at least get it answered satisfactorily at the meeting.

This lecture was to take place at our May meeting, but the meeting decided to tide me over till June!

NEXT COMMITTEE MEETING:

The next Committee Meeting will be held in the Buffaloes Hall, Onslow Road, Shenton Park on Thursday, 22nd June, 1972, at 7.30 p.m. sharp.

JUNE FIELD DAY : 17/18TH:

GARDEN ISLAND:

This venue will be conducted at Garden Island on the 17th/18th June. Boat leaves Palm Beach Jetty at 9.30 a.m., 11.45 a.m. and 2.00 p.m., on Saturday and leaves the Island at 10.00 a.m. and 12.15 p.m. on Sunday. Fishing commences 3.00 p.m. Saturday and ceases at 8.00 a.m. Sunday. Weigh-in from 9.00 a.m. until the boat goes at 10.00 a.m. Beds may be booked and paid for at the next General Meeting. (See inside for further details).

MARGARET RIVER FIELD DAY:13/14TH MAY 1972:

"Hope springs eternal in the human breast". We have often heard this quote in many situations. Who wrote it or first said it we will never know, but after some thought, I feel sure it must have been a fisherman. What else but hope sends us down long roads in unfishable weather searching for fishable water and fish. Surely it was the driving force sending 34 reasonably sane and sensible men to Margaret River fishing.

RON and I set out on our journey south on Friday afternoon in reasonable weather. The further south we went the more unreasonable it became. By the time camp was made south of Margaret River around 10.15 p.m., the Rover was rocking in roaring wind. Rain from passing squalls travelled horizontally instead of vertically, mixed liberally with salt, whipped from roaring waves. The word for the weekend was HOPE; so hoping for a better morning, we climbed into our newly installed bunks in the Rover. The morning's weather was the same, possibly a little worse. Hope then rested with a wind shift to the south. It didn't, so being fishermen, we went fishing. A reasonably quiet corner yielded a dozen Herring in two hours. When cleaned, they were stuffed full of wogs, one particularly ambitious chap contained a large centipede. With brilliant deduction, we reasoned the fishing would be better at a weed bank across the bay from us. To fish it we had to once again hope (sorry it's the only word), for a southern wind change as the westerly was blowing straight into it. To give nature a chance, we drove into the river mouth to see how many brave souls wanted to check-in. We checked in 34 anglers, none of whom knew where he was going to fish, if at all.

After the check-in we returned to our morning spot to find the wind had shifted a little to the south. RON, using white bait, started to catch Herring immediately. Due to their easy feeding on wogs, they were not grabbing in their usual way. This resulted in a lot of dropped fish, the large belly in the line did not help the hook up either. I fished with lurex hooks behind a blob. This rig, for me, proved quite effective, and once hooked, few, were lost. In the last half-hour of fishing, we both used bait, as the fish were within 10 yards of us. Although close they were still fussy and did not bite as herring usually do. At 5 p.m. we gave it away and cleaned our catch before dark. With the fish cleaned and on ice, we consumed the delicious chop-suey prepared by Lois, and washed it down with a can or two. We left the coast after dark and camped in a grove of trees near the highway out of the howling wind. Only a few members were waiting at the weigh-in point at about 8.50 a.m. Sunday. The first news we received was that GEORGE HOLMAN had decided it was too rough outdoors, so had booked into the Margaret River Hospital for the night. After making sure there were fish to weigh, the scales were set up. First ERIC SULLIVAN with two skippy, total 2 $\frac{1}{2}$ lb; then JOHN DEVITT'S skippy (1) 1 lb 10oz; this the heaviest scale fish. DENNIS GREEN dragged two sea trump for the bag to give him a total of 1 lb. NEV RISBEY was next with $\frac{1}{2}$ lb of herring (2), the same sized bag once again won the Junior Section for GEOFF RENSHAW. This left yours truly to win his first ever

field day, which must have some sort of noteriety, as it would be one of the worst field day totals on record. My bag of herring, weighing just 8 $\frac{3}{4}$ lbs, only beat the Pres. by 2lbs to give him second place.

As most members did not return to the weigh-in, I assume they did a smart thing and went home early, out of the unfriendly elements. We called at the Hospital on the way out, here we found DENNIS waiting with the news that GEORGE was O.K. and would be going home with him.

So dear members, as you now probably realise, there was little to write about the weekends efforts. I'll close as I started, with "hope".

Hope Garden Island is better.

BILL AND RON

MOST MERITORIOUS FISH TROPHY : OPEN:

At our last Committee Meeting a good deal of discussion was had with regard to the "Most Meritorious Fish" in the Open Section and it was finally decided to award this section to H.Y. HEW for his capture of a 94lb Shark at Wagoe caught on 23lb line.

MEMBERS DON'T FORGET THE ANNUAL DINNER DANCE IS TO BE HELD ON SATURDAY, 24TH JUNE, 1972 AT THE FLOREAT FORUM HALL.

COMMENCING TIME 5.30 P.M.
SEE YOU ALL THERE.....

JUNE FIELD DAY : 17/18TH : GARDEN ISLAND:

- Registration (& Bed Bookings) : At the Meeting
- Fishing : Commences at 3 p.m. Saturday
Ceases at 8 a.m. Sunday
- Weigh-in : Will be at the huts from 9 a.m.
until time to go for the 10 a.m.
boat

Roll up - Garden Island field days are usually the most sociable of the year as everyone is camped together.

FIELD DAY SWEEP MONIES:

At our last General Meeting, it was decided to confirm the allocation, to all of the sections on a field day which receive "Sportsman of the Year" points, equal sweep money. This means that should all the sections - Heaviest Scale Fish; Heaviest Shark; Heaviest Bag of Scale Fish; and Heaviest Bag (including sharks), be won, they will all receive sweep money.

3 TO 1 BADGES:

Two of our members in HEY HOY YEW and ROSS CUSACK, will receive their 3 to 1 badges at our Annual Presentation and Dinner Dance on June 24th, 1972. This award is a very hard one to obtain as they are the second and third members to qualify. I am sure they are proud to receive the award and the congratulations of all club members are extended.

Hew qualified with a 94 lb shark caught on 23lb test line, and Ross, a 48 lb Mulloway captured on 12lb test line.

Another capture of merit was Rudy Lerch's Mulloway caught at the Murchison - 57 lb on 18 lb test line. Rudy received the first 3 to 1 badge in the Club and has now proved that it wasn't a fluke.

MEMBERS TICKETS FOR THE DINNER DANCE ARE TO BE BOUGHT AND PAID FOR BY THE NEXT GENERAL MEETING PRICE \$12.00 DOUBLE; \$6.00 SINGLE.

REMEMBER SATURDAY, 24TH JUNE, 1972 AT FLOREAT FORUM HALL FROM 5.30 P.M.

ANNUAL PRESENTATION DINNER AND DANCE:

As members will by now be well aware, the Annual Presentation Dinner and Dance is to be held on Saturday, 24th June, commencing at 5.30 p.m. at the Floreat Forum Hall, Floreat Park.

Rudy is finalising arrangements, and if the amount of work he is putting into this function, is any indication, it should be a really great night.

As I have written a good deal on this night to date, I will not enlarge on it further, except to say, that by now you have got the message, so do something about it. See Rudy at the next General Meeting, or privately, and pay for the night and get your tickets.

TROPHY LIST FOR 1971/72:

The following are a list of trophy donors for the past season and will be presented at the Annual Dinner and Dance.

- | | | |
|-----------|------------------------|-------------------------|
| D. TALBOT | MEERV BROWN (KALBARRI) | BOB CLAYTON (DOG SWAMP) |
| D. EDWARD | NORTHAMPTON CLUB | LINNETTS SPORTS STORE |
| D. NEWTON | S. BESSELL-BROWN | |
| L. TATE | A. SHACK | |
| R. LERCH | A. BUNNETT | |
| G. HOLMAN | H. GREGORY | |

Our thanks go to these generous people as their gesture is very much appreciated.

A NIGHT FOR ROLEY McKAY:

The A.A.A. of W.A. will hold a social get-together at the Ocean Beach Hotel on Friday, 30th June, at 8 p.m., to say farewell to a great friend of anglers, in Roley McKay and his good wife. This is to take the form of a few drinks and supper and will cost \$1.50 per head. Anyone who values Roley's friendship and who would like to wish him well, in his new appointment in Queensland (at the Museum), are welcome to attend, along with their wives.

I'm sure that quite a number from our Club will be going - see you there!

DINNER DANCE : JUNE 24TH (SATURDAY)
STARTS AT 5.30 P.M. AT THE FLOREAT FORUM HALL.

MAY CAST:

32 members rolled up to Floreat Oval for the opening of the casting season in as close to perfect conditions as one could imagine. It was also the first time that the club's new innovation of using spgghetti instead of ribbon came into practice. Many comments were forthcoming from the members and such comments are very welcome as this "feed-back" is the only way that such changes can be assessed - so, chaps don't be backward in coming forward, if something is bugging you, let's know about it! Last year's winner, GEORGE HOLMAN, rolled up heavily bandaged and looked like a devalued dollar but was determined to participate nevertheless. Welcome to A. NORMAN and P. ISBISTER who were "first timers" on this occasion.

The level-line provided the highlight of the morning with some excellent distances; remarkable improvements and spectacular breakoffs. (Tiny (back to form) PARKEP and ERIC SULLIVAN - 2 each). J. DEVITT put down the longest cast of 463 feet and also took off this event with a fine 44 pts. Good to see B. REYNOLDS back with us again and he shared second place with G. BASKERVILLE with 41. R. LERCH, who has ironed out the bugs in his Alvey, L. REID and W. UTTING, who is really getting the best out of his geared reel, all finished with 40. It was plainly obvious that, without the restriction of ribbon, most casters picked up an extra 5 or 6 points. We are looking forward to even better things from our top casters.

In the double-handed accuracy, there were some fine efforts. Old peg-leg managing 50 with 3 casts, and N. KNIGHT'S bull. B. LEICESTER, who cast so well last year, and R. TUCKER shared first place with 63, making Sportsman of the Year points hard to earn for the rest of the season. Others to do well were T. CORCORAN 57, R. TICHBON 56, W. UTTING & R. KILDAHL 54. Watch out seniors because one of our juniors, J. RENSHAW, put down a very creditable 46.

The single-handed accuracy section was perhaps the noisiest and most entertaining event seen for some time. At this stage, "ligaments" HOLMAN was doing very well despite the ribbing and guffaws taking place. Some people will try anything to improve; it was noticeable that LITTLE LATTO, after George's magnificent "bull", hobbled up and cast on one leg to try to emulate this score. Dave needs more hobbling practise obviously. Not to be outdone, old "ligaments" put down another one! However, quietly working in the background was J. DEVITT, whose effort of 30 put him in the lead here. G. HOLMAN was next with 29. E. SULLIVAN 28, N. RENSHAW 26 and someone we haven't seen casting for awhile, A. SMITH 23, were the best of the rest.

Even with a severe handicap, G. HOLMAN proved his worth. In winning the competition last season, he only bettered this casts score of 122, twice. If he can start this way on one leg - giving us all an advantage - how well does this indicate some of the scores he might get as the season progresses. After scores were computed, J. DEVITT, who began so well last season, took the morning off with 131 pts, a fine effort. R. TUCKER'S 140, scored last July, still has the best score under this new scoring system, now being used

in its second season. However, it won't be long before someone gives that score a real fright. Second for the morning was the same R. TUCKER 125, followed by B. LEICESTER 123, G. HOLMAN 122 and T. CORCORAN 116. Fourteen casters finished with 100 points or more.

LAST season's final top twenty is virtually the same as this season's opening top twenty with the exclusion of J. STRONG, W. MORROW and E. PARKER, who have been replaced by E. SULLIVAN, M. DAWSON and junior J. RENSHAW. The order is of course much different and it looks like an interesting battle about to begin with N. KNIGHT and H.Y. HEW giving the leaders 30 and 40 points start respectively.

This season has begun well on an exciting note and it is hoped the more and more members will take advantage of this, both social and informative and stimulating morning. Thanks markers: - but please wear those hats. See you all and others next month.

TOM & GRAHAM

GAME FISH BADGES: Two of our senior members will receive Gam Fish Badges at our Annual Dinner & Dance. They are JACK HARVEY & PHIL NERI and it is good to see them FINALLY crack it and both on the same day at Kalbarri and both caught Spanish Mackerel. It has taken them a long time, but I'll bet they both will agree that it was worth waiting for. Congratulations go to these two anglers from all fellow club members.

NO RIBBON ON SINKERS:

The last Committee Meeting ruled that as we have now adopted the use of "spaghetti" instead of ribbon on sinkers in our dry casting competition, that only the spaghetti may be used. In short - no ribbon.

REMEMBER MEMBERS : TICKETS FOR THE DINNER DANCE TO BE HELD
 SATURDAY, 24TH JUNE AT FLOREAT FORUM HALL
 : STARTING TIME 5.30 P.M.; TO BE BOUGHT
 FROM RUDY AT NEXT GENERAL MEETING IN JUNE.

THE FORTHCOMING ELECTIONS:

It is not too far off (July) before our Annual Election of Officers, and members should give some serious thought over the next month or so, with regard to suitable people to fill the various positions.

Our present Committee is doing a good job, but quite a number have indicated that they will not be seeking re-election.

Other than being willing, a person should be suitable for the position so that each aspect of the Club will run smoothly.

A number of positions that have been indicated as available are: President; Secretary; Librarian; Social Organiser and Field Day Officer. The present Officers have done excellent jobs in these positions, but feel that someone else should fill them as they wish to step down.

Or, you may feel that it was about time we had a change in one of the other positions. Give it some thought over the next month or so ... or even have a dash at Committee yourself.

NOTICE OF MOTION:

At the last General Meeting, a motion re "Sportsman of the Year" points with regard to 3 to 1 awards, was withdrawn by Tom Corcoran, as it was felt that it was improperly worded and a new motion, put by John Devitt, reads:

"That every fish of 3-1 line ratio caught on a Field Day only in accordance to 3-1 badge system, receive 3 points each towards "Sportsman of Year Award 1972-73 season".

Moved - John Devitt
Seconded - Tony Smith

THOSE STORIES:

I suppose that you have noticed that I have been slipping with those stories I endeavour to publish each month.

However, I have approached a number of members and I hope that these members will oblige very shortly.

If you have a small story, or yarn, or something you want to write about, do so and give it to me and I will put it in the "Reel Talk".
