GARDEN ISLAND FIELD DAY: 11th/12th May.

It is sad to see the new season get off to such a low start because of bad weather and the lack of fish. Never the less, we did manage to catch 23 lbs 4 oz of Tailor, Salmon, Herring, Skippy and Silver Bream.

Good to see one of the regulars on the Field Days take out the first field day for the new season in T. FULLER 10 lbs 8 oz; second was J. LEE 7 lbs; third P. ISBISTER 4 lbs 4 oz and fourth D. TAYLOR 1 lb. Sadly, that is all who caught fish out of a good attendance of 29.

Also, Terry took out 5 sections to start the ball rolling; keep up the good work Terry.

All the members fished the Southern portion of the Island. Nobody ventured up to the guns because of the bad weather.

Terry took out the heaviest bag as I have mentioned and J. LEE took off heaviest scale fish - a 2 lbs Skippy. No one fished after about 8.00p.m. Saturday and it was back to the huts for some tea, some grog, card games of all sorts - you name it, it happened at Garden Island on Saturday night. Dennis Green couldn't remember if he won or lost money. Nev Risbey won an estimated 1,000 matchsticks in pontoon. G. Baskerville complained in the morning of hailstones hitting the roof of the hut on Saturday night.

Just two final points - there is a complete list of member's points scores for the whole season, so you can gauge yourself, and make amends this season.

The second is the Walpole Field Day which should be quite exciting, so come along and enjoy the fun.

So, until Walpole - good fishing.

WALPOLE FIELD DAY: JUNE 1/2/3.

This coming Field Day looks like being a good one, so roll up all and have a good fish together and a pleasant socialising long weekend.

The social aspect is going to be a barbeque and a little ale on the side. The success of this outing depends on you, the members, so come along with plenty of steak and ale, have a good time, spin some yarns and let's have a real good get together.

The barbeque will start at 5.00p.m.

The idea of fishing only on Sunday afternoon, Sunday night and Monday morning is to give you all a chance to have a look round first on Saturday, pick a good spot and also, to enjoy the social side with a barbeque.

Barbeque at Venue - Coalmine Beach commencing at 5.00p.m. Saturday.

- Fishing starts - 10.00a.m. Sunday.
- Fishing ceases - 8.00a.m. Monday.
- Weigh-in time - 9.00 - 10.00a.m.
- Weigh-in centre - Coalmine Beach Area.
- Sign-on - At Barbeque.

E. SULLIVAN:
Recorder.

16 YEARS AGO TODAY:

Field Day at Garden Island in May - somewhat similar to the 1974 trip;
"Choppy conditions induced some of the more seasoned travellers to
discourse wisely on remedies for Mal de Mer."

"The beach was washed by a heavy surf which stirred the sand up badly
and Anglers Anguish (seaweed) moved rapidly down the coast."

"What we lacked in fish was made up for with fun, laughter and high
spirits."

Heaviest Scale Fish - B. Tucker and B. Jensen - $3\frac{1}{2}$ lb Tailor.
Heaviest Bag - N. Knight.
Total Catch - 22 lbs.

Casting details: Level Line - R. Flood.
Spinner Level Line - N. Knight.
S/H Blob - T. Neil.
Accuracy - R. Porter.

Some extracts from a 93 verse poem may be of interest. It was written
by L. Shand:-

"Berty Payne is our Vice President,
And a loquacious guy is he,
When "Panther" relates his big game bent,
He never ceases to amaze me.

Doug Edward a most energetic Secretary of yon,
His head had Life Membership bestowed upon,
His Casting style and consistency we all relish,
He also holds the record for the biggest Kingfish,

Ian McLennan of the newer brigade,
His presence on our Club has made,
By always turning up at our shows,
Believes the way to learn is 'have a go'.

Hal Neil is a cousin to Tom,
His keenness to learn has brought him along
From a raw recruit to one of the best,
To perfect, his style is always his quest.

Phil Nuri is also very keen,
And helps to make a jolly good team,
Has shown a willingness to learn,
And any good advice does not spurn.

Alf Rutland used to be on the Committee
Has helped to record our club's activities,
He's done so much work we owe him thanks
As well as the rest of his camera cranks.

16 years ago today. (Cont'd)

Jim Strong naturally known as that strong guy,
At every moment to the beach does hie,
Without a doubt our keenest bait soaker
As well as being the nicest of jokers.

Doug and Ted Savage, father and son combination,
That drives the Recorder to desperation,
Who, on Field Days are making their name
By always getting plenty of game."

TOASTER'S TITBITS: Toaster's on holidays!

THE CONSTITUTION:

All members who have not already done so, will receive a copy of the new proposed constitution which has been thoroughly examined and passed both by the Club Members and a firm of legal practitioners.

It is thought that now the Club is ready to accept this at our Annual General Meeting in July.

All Members are asked to examine their copy carefully and if there is anything unacceptable, please submit your suggestions TO THE SECRETARY IN WRITING.

ANNUAL GENERAL MEETING - JULY 1974:

Have you your thoughts organized regarding the July Annual General Meeting? The Club will be looking for nominees to fill several anticipated vacant positions on Committee. What would you like to nominate for? Think about it! Do something about it! We need your full co-operation to operate as an efficient angling club!

ANYTHING TO SELL:

Members are encouraged to use their "Reel Talk" if they have fishing gear to unload. Things like that old rod or reel that is never used but is in good nick. There just may be a member who needs such a piece of equipment.

If you furnish details - in writing - to the Secretary, he will see that the information is printed in "Reel Talk."
