NEXT GENERAL MEETING.

Our March General Meeting will be held in the R.S.L. Hall, Bay Road, Claremont on Wednesday 8th March, and will commence at 8 p.m. sharp.

INSTRUCTION PERIOD.

After our last successful Instruction Period, slides and a general discussion on the Murchison River, the Committee has decided to do the same, but this time on the Yallingup area including rigs etc., for Salmon, Trevally and Sea Kingfish.

After this, some of our successful members might be able to recount how they captured (or lost) their Mackerel at the Murchison.

LAST COMMITTEE MEETING.

Was held at the R.S.L. Hall, Bay Road, Claremont and did not conclude until 9.50. Any two members are invited to sit in on any Committee Meeting as long as prior notice is given.

VISITORS TO COMMITTEE MEETINGS - FEB. Brian Hanks
March Ted Horsley, To, Cairnes.

NEXT COMMITTEE MEETING.

Will be held in the R.S.L. Hall, Bay Road, Claremont and will commence at 7.30 p.m. sharp on Thursday 16th March.

MOST URGENT !!!!! Please send in your ideas on all Club Competitions by next General Meeting. Setting out any changes you could suggest to help make our competitions more interesting and please, when selecting your Field Day venues, select the month you think would be most suitable, e.g. APRIL - YALLINGUP.

ALL CLUB COMPETITIONS - DRYCASTING & FIELD DAYS.

As this year's competitions are rapidly coming to a close, they finish at the end of April, and with the new competitions starting on the 1st May 1966, it is the Committee's sincere request that members give these important aspects of your Club's activities their fullest thoughts and cooperation by putting forward ideas or suggestions, new or old, for consideration.

It is by getting ideas from members, collecting them and giving their suggestions for improvement to Club Competitions, of benefit to all members that your Committee can put forward the best possible competitions. Surely this is not so very difficult, especially if you have already some ideas formulated as to what improvements you would like to see in either one or all of your competitions. So regardless or how bizarre they may appear, put them on a piece of paper and hand them to a Committee Member. It's as easy as that.

Possibly most members are happy with the present competitions, if you have suggestions send them in, if you are happy with things as they are, please say so. This is the only way your Committee has of really assessing the value of the competitions to members.

Members have been heard to say "leave it to the Committee, they will fix it, that's what they are there for". This is not completely correct. The Committee wants to help you make YOUR decisions not the Committee's decisions. This is your Club, your responsibility, and they are only in office to help members in the management and good ruling and running of it.

To any members who may have given this matter consideration as to alterations etc., to the benefit of these competitions and to all Club members, will they please forward these alterations etc., to the Committee man or hand it in at our MARCH GENERAL MEETING, so that they can be perused by Committee in March, and can be printed in "Reel Talk" for adoption or alteration by the General members in APRIL for our present competitions finish on the 30th April, and the new one starts on 1st May.

DRYCASTING NEWS - FEBRUARY 1967.

Conditions for February casting were fine and hot, and twenty-two members and one visitors attended. It was pleasing to see such a good number along, especially as the weathr has been very trying. Refreshments provided were we received by all.

Inthe L.L. Distance, two members, A. Bunnett and W. Bridger cast the longest distance of 384 ft. Winner of the event was B. Utting.

D.H. Accuracy - Top score was made by T. Smith with a total of 50/80, and second L. Tate with 47/80, and K. Jones third 46/80.

S.H. Accuracy - K. Jones did well to score 28/40 in first place, with two members tying for second A. Bunnett and N. Knight each with 27/40, and third in this event was G. Holman with 26/40.

Single Handed open - This was the final event for 1967 and congratulations go to R. Tucker who took first place in this section. Bob also cast the longest distance of 237 ft.

Overall winner for the day was T. Smith with a score of 117 points, second G. Holman, and thirs B. Utting.

Only one member reduced his handicap - B. Utting, 159 less 12 = 147.

Nest drycasting will be held on Sunday March 12th at Floreat Oval.

GARDEN ISLAND VENUE, FEBRUARY 1967

The smallest attendance in the current field day competition arrived at the Venue to the tune of calm seas, hardly any wind, and, as it turned out, not all that may fish either!

Eighteen members took the 10.15 boat, and on arrival, the North-end boys had to convince their driver of the truck that waiting for the 2.00 p.m. boat wasn't their idea of fun, and were finally stacked aboard the truck and away they went.

L. Tate, T. Fuller and myself preferred home comforts, and settled in one of the huts.

The remainder of the 35 on venue arrived on the 2 p.m. boat and immediately took off for their chosen spots.

No sea breeze came in to stir the fish, and on the back beaches very few strikes were being made, although Ron Kildahl, Ron Shirley, H. Neil, 'Pathfinder' Jones, Bill Bridger and others were certainly doing their best to bring home the bacon.

The Tailor run for that evening consisted of about five to six fish between a dozen anglers.

On arrival back at the hut, I was informed that 'Snow' Tate's evening's effort had brought him 4 herring from the South End, and Bob Tichbon had nothing to report.

We had hardly hit the sack when Jim Strong's robust tones told us "they were on over the back beach". I believe it was then about 3 a.m.

Back we all trekked, and sure enough he was right, they were sand crabs everywhere, because; by 8 a.m., I was certain he wasn't talking about fish!

contd.

The truck brought the lads back from the North at about 8.30 a.m. and at least there were a few 'face-swing' bags for Hew Hoy Yew, Ray Ginbey, George Holman and Doug Talbot, who, between them took off the first four places, with a collection of sharks, and a few Tailor.

Anyway the weather was perfect and most of the lads seemed to have enjoyed the weekend, and of course, many of us are hoping for a real bonanza on our next Field Day, so let me wish everyone at least a 'big' one, and don't let them get away.

MURCHISON RIVER LONG WEEKEND MARCH 4/5/6TH

PICNIC DAY WARNBRO BEACH

MARCH 18TH

It has again been decided to restrict Senior Members to Flick Rods only (weather permitting). Ladies and Juniors may use D.H. Rods.

STARTING TIME 4 p.m. Saturday 18th March.

SAND CASTLE COMPETITION 4 p.m. - 5 p.m. This will again be on, and after last year's fine efforts, I wouldn't like to be the judge for this event. This will be judged at 5 p.m.

FISHING COMMENCES AT 5 P.M.

WEIGH IN AT 8 P.M.

We are hoping for a warmer day than last year, and are providing GINGER BEER and sweets for the youngsters.

Kewdale Junior Fishing Club has been invited to attend this outing, so roll up members. Bring your families and enjoy a pleasant outing with your fellow clubmates. Pack a picnic tea and some fishing gear. (and some spare gear if you have any for the Kewdale Club), and come along. We are sure the kids and wives will enjoy the outing.

Club sign will be erected near long point turn off.

MURCHISON RIVER VENUE, MARCH 4/5/6TH.

For the benefit of members attending this venue, who are unfamiliar with the area, the following information may be of some use.

Distance from Perth on the Great Northern Highway is approximately 420 miles. The road is bitumen to the turn-off marked by a sign post reading 'Kalbarri' approximately 70 miles north of Geraldton. The turn off road is 43 miles long and gravel all the way, after the first 3 or 4 miles, but is usually in good condition.

Unless regulations have changed, members may camp along the river bank east of Murchison Park Caravan Park, but water would have to be obtained from some distance away, other camping sites are available at the Bluff area 3 miles south of the Settlement, however most private camping sites have amenities and average charge last year was \$1.00 per day.

The area is served by two main stores, the main settlement and the Bluff where most tinned foods may be purchased. Bread, meat and milk must be ordered two days in advance.

Main fishing areas are the Bluff, Oyster Reef and Chinaman's rock but the F.D.O. will be available at the venue and will answer any enquiries up to fishing time.

Fishing will commence at 4.00 p.m. Saturday 4th March, and cease at 8 a.m. Monday 6th March. The F.D.O. will be staying at Phil Taylor's Murchison Caravan Park and will be available to weigh in fish at 12 noon to 2 p.m. Sunday, and from 8 a.m. to 9 a.m. Monday morning. The usual fees will be collected.

Members are reminded to use great care when fishing from rocks, due to king waves and heavy swells. Kangaroos are a danger at night, and a final word - drive carefully on your return to Perth. You may be tired, and we would like to see you all on the April Field Day.

MURCHISON RIVER contd from Page 18

Fish can be weighed at Phil Taylors Caravan Park other than stated times, in the presence of any Committee man if the F.D.O. is unavailable. The scales will be erected permanently there.

Don Webb, our genial F.D.O. has donated a trophy for the Murchison River venue. This will be for the heaviest Mackerel, so here is an added incentive lads, so go to it.

There is also a sweep running to guess the weight of the heaviest Mackerel. So if you see anyone who is going to this venue, give him 20 cents and have a guess. This all adds to the weekend, and even if you don't catch one, you could come out on front.
