DRYCASTING NEWS - APRIL 1968

Well Chaps that wraps up another 12 months casting of which I am sure you are all pleased of your final results.

Next month the 5th May will be the opening of the new casting season, so come along old and new members, for this is where your casting is improved. This month's casting showed great interest in all events as we had a mild sunny morning and everyone was in good humour. Very sorry that Snow Tate couldn't cast with us but said he'll be back in swing next month.

In the L L Distance for the day it was pleasing to see a relatively new member J. Nuich winning this event and the largest cast was made by R. Johnson 441 ft.

D.H. Accuracy - Won by H. Barrott who scored a lovely bull in this event which helped him to equal the D/Handed Record of 72/80, second goes to R. Kildahl 61/80, third place R. Tucker 59/80.

S.H. Accuracy - Bill showed us the way in this with 24/40 followed closely by two members, R. Tucker and K. Jones 23/40. Third place goes to W. Bridger 21/40.

This month brought the last of the single handed open event with R. Tucker coming out the winner also casting a nice cast of 302 ft. to outdistance his own record of 283 ft.

Many thanks go to all those members who helped Eric and myself through out the year to set out the ground and mark scores.

Next cast day falls on the first Sunday in May and starts at 9.00 (Sharp).

YALLINGUP - APRIL 1968

The kombi left home after tea with Jim, Ian, Phil and Kylie the dc on board bound for the final field day of the year - venue Yallingup.

A good trip through a few showers had us wondering what sort of weather was in store for us. Arrived at the Caravan Park to find some members already there. Bob Tichbon, Hew Hoy Yew, Tom Corcoran, Lofty Griffiths, Arthur Horton and Keith Rundin were camped in a bunch. A rosy glow surrounded Arthur's tent, and we were invited in to participate -- the invitation was gratefully accepted.

Tom Smith and family, Mr. & Mrs. Dick Holland pulled in shortly afterwards and the scene would have done credit to the Russian circus - we managed to get the club tent up without having to sink the poles to level the roof this time.

So to bed and early to rise thanks to Jim. Early morning showers cleared away with sun rise. Tom and Dick left for spots southward, as did Lofty, Tom, and Hew, down to the sheltered side of Tor pedo to investigate, HerringKing Phil soon had them around, but they were small and not very hungry. Phil and Jim managed to get a few in the bag.

Back to base to find that some more had arrived, signed in and left for distant spots.

Collie member George White invited us to Forrest Beach a new spot we eagerly accepted, so off we went. Dot and Tom Warner also came with us. A short drive and 1 mile walk and there it was, a small but likely looking channel surrounded by reef. Ian got a salmon and George a nice Tailor, then big herring came in some up to one pound, we all got a few.

Ian and Phil were plagued with buffs, but managed a mixed bag including a Malloway.

Most of the others reckoned that Yallingup beach would be the best bet and some were right too. Doug Talbot landed a 10 lb. Snapper, several others got Salmon and Herring.

contd.

contd.

Harry Barrott and son fished Eagle Bay in dead calm water and landed two Salmon. It was reported that Doug Snow and Gordon were given a lesson in herring fishing by a lad using a lurex thread lure. He must have got all the fish at that spot as they didn't weigh in next day. Fish caught that night were weighed in, cleaned and iced.

A large ray was weighed in 3 pieces totalling 137 lbs by D. Bodle - could be a state record - what a bloody mess!

Most lads were away before dawn Sunday to try and build up the small catch, and some did quite well again. There must still be a few Salmon up at the Moes.

Weigh-in again and gradually the total crept up, helped by A. Britten Collie, 35 lbs. J. Hood, a visitor 24.3/4 lbs. and Doug Talbot 27 lbs.

The Collie Club's trophies for our club were won by G. Holman heaviest bag of herring 11 lbs., Bill Bridger, heaviest Trevally 2 lbs. Our trophies for Collie Club were won by A. Britten heaviest bag 35 lbs., mixed, G. White heaviest scale fish 3 lb. Tailor., mystery poundage was won by M. Dawson. Noticed some of the Collie boys sharing their catch with the less fortunate.

Some wives had a real field day, meals and nice soft beds at the Hotel, some even had hot water bottles to make up for the lack of husbands. One was handed to me by the licencee so if you are short of one contact your President.

The caravan park and amenities were much appreciated. A good name is a big help to a Club so keep it that way chaps.

An enjoyable outing in glorious weather was enjoyed by members, visitors and seven members from Collie Club. A total of 432 lbs. of fish was weighed in. Don't forget the new competition starts 11th May Garden Island.

THE PRES.

EASTER FISHING.

I heard quite a few of the members caught fish over the Easter period. There were four nice Snapper caught on Sunday, I believe 2 by Eric Sullivan, 1 by Terry DeJussing, and 1 by Bob Tichbon. They were caught at Naval Base Groyne while I sat at home and watched tele.

Easter Friday was such a nice day I took my wife and family down to Golden Bay amongst the hordes of fishermen to try our luck on the Salmon and they were really on. Lois at her first successful Salmon fishing trip was unable to move for two days after she had in 1.1/2 hours landed six Salmon and lost four others while I could only manage two. Bob Klein who took us up the beach in his Toyota landed six before dark and his elder son Douglas also landed his first Salmon.

Hew Hoy Yew was also fishing this area and told me later he had managed five all caught on spinners.

If any members catch any fish - what about a short story, it all adds interest to your "Reel Talk".

I heard an old member Doug Rodgers and friends landed about 60 Salmon over at Garden Island.
