**Recfishwest Report:**

**Recfishwest AGM and Election of Board Members** will be held on Friday 24 October 2008 in the Ward Room, at the Fremantle Sailing Club at 7.30pm.

The calling of the State Election five months early has left many things not finished and unable to be finished until a new government is in place.

Examples are three Marine Parks including the Capes, some commercial fishing changes and the West Coast Demersal fishing rule changes.

Recfishwest's "Election Policy on behalf of the recreational fishing community of Western Australia" has been very well received by all political parties and recognized as a very valuable and realistic list of issues.

Effectively, we have no real commitments by any party in response to that list, only one commitment to review the West Coast Rules.

The Liberal Party has only committed to: quote "immediately establish an expert recreational fishing panel to view the Labor Government's ban and evaluate the environmental, social and economic impact of the restrictions, with a view to relaxing the bans" end quote.

Neither Labor nor the National Party has put out any policy or commitment on recreational fishing.

With a new government, there will be many high priority issues to sort out and recreational fishing is not likely to be one of these.

So it will be important to have a strong, professional and active voice for recreational fishing to make sure that it does not get forgotten.

Please assist Recfishwest by keeping your membership up to date.

Recfishwest will be at the Mandurah Boat Show. In recent years, SCAC club brochures have been given out to people at the show. Brochures to be made up and forwarded to Recfishwest.

**Notices of Motion:** by Malcolm Harris

This is one I have put in regarding the upcoming field day after the next, I will read it out: I hereby give notice that I intend to move the following motion at the September 2008 General Meeting:

"That the date for the field day planned for the 11-12 of October 2008 be moved to one week later to the 18-19 October 2008."

**Moved:** Malcolm Harris

**Seconded:** Mark Hansen

If this motion inconveniences anybody at all, I will withdraw the Motion

George Holman disagrees with the Motion

Bob Henderson agrees with the Motion

Ian Cook agrees with the Motion

Malcolm Head disagrees with the Motion

**Malcolm Harris withdraws the above Motion**

**General Business:**

**Malcolm Head** donated \$40.00 to the Club from the sale of Burley cages.

**Terry Fuller** suggests the Competition Rules to be updated before April 2009.

**George Holman** suggests that we push our Local Field Days harder.

**Vix Alexander** suggests that a list of contact telephone be printed out for those who would like to fish local areas.

**Beverley Grigo** talks about more advertising of our Club.

**Mark Hansen** talked to a couple of blokes who have fished at the Swanbourne Drain lately and have caught a couple of Mulloways

**Greg Walker** talks about being a Member of the Club for five years. The first year of being a member I went to the Annual Trophy Night and there were roughly 60 – 70 members on the night. In the last few years the numbers have been dropping yearly, people have some excuse after another, some legitimate some not, one of the reasons why we are not going back to the Marmion Club for next year is that we are down to a number of 32 people and they will not allow us to come unless those numbers rise. Michelle has been making a few phone calls around the place and a lot of venues she has talked to so far will not cater for us at those numbers being so low. Numbers need to rise; we have field days and dry casting days and other events which are all events you can choose to go to or not to go to, The Presentation Night Dinner is something I think that every Member must attend. If you are a Single Club Member and if you have a partner you should bring them along. If you have a Family Membership you should come with your wife and kids if possible. We need to get our numbers up for it to work and for us to find a venue we can use, this is something we all need to think about. To Club Members who are not here tonight if anybody is talking to them, let them know this. Whilst there is nothing in our constitution to say we must go, I think there is a moral obligation that we do. It is just one night of the year and we ALL should attend the Trophy Night.

**Eric Parker** did not agree that members should feel pressured to attend the Trophy Night.

**Malcolm Harris** presented two Certificates to Andrew and Stephen Pekaar.

**Instruction Period:**

**September:** Tony Garner from ARB gave a demonstration on the Company Products.

**October:** Steep Point Video/Disc illustrated by **Mark Hansen**. Contact Mark to obtain a copy of the disc.

**November:** Explanation on Open Fishing Competition, Line Ratios, Game Fishing Badge, Baron Lure, Junior, Masters, Grand Masters Species Competitions, Nylon, Wire and Braid by **Ian Cook**.

**Raffle:**

**Dave Maxted** won the Camping Table

**Marcia Pekaar** won the first bottle of capers donated by Melvin Wee

**Peet Wessels** won the second bottle of capers donated by Melvin Wee

**Meeting Closed: 2155 hrs**

**RAFFLE AT GENERAL MEETINGS**

We want to make sure we cover our costs with the price of the raffle we have each month at the General Meeting. Therefore, tickets will be priced at \$2 for one ticket, or \$5 for five tickets. This will hopefully encourage people to purchase tickets at the more economical rate, increasing their chances of success and supporting our Club.

## **THANK YOU TO TERRY FULLER**

I would like to personally extend a huge thank you to Terry Fuller for his promptness in returning the dry casting results to me each month. My request to Terry to include more than just the top ten scores was greeted with enthusiasm and he kindly put the scores in order, so we were all included. Thanks so much, Terry, for all the work you do, it is really appreciated.

## **DRY CASTING OFFICER'S REPORT SEPTEMBER 2008**

With the westerly winds blowing first thing in the morning, it wasn't surprising that a higher level of enthusiasm was evident amongst the casting group. With a tail wind on offer, many members were able to achieve personal best results.

- Holly continues to improve each month, with most casts over 60m.
- Marcia finally cracked the 100m mark.
- Vix cast 115m in 56g. Her 115.2m Art Bait cast fell just 0.8m short of a club record.
- John cast 121m in 56g.

Even with the winds gusting from side to side at times, it didn't seem to affect the accuracy events. Both Mal Harris and Peter Stoeckel shared in the Seniors D/H Accuracy win, with 92 points each, and Rhys Jones's 26 points in S/H Accuracy was the best of the Seniors. The Veterans' D/H Accuracy had five casters who scored over 130 points – Gary 164, AJ 147, Bob & Mal Head 145 each, and George 133. Gary also won the S/H Accuracy with 32 points and Terry Fuller came second with 26 points.

Vix Alexander was the best of the Ladies, winning both the D/H Accuracy with 114 points and the S/H Accuracy. Holly Walker also showed improvements from last month in D/H and S/H Accuracy events. There were three bull's eyes recorded on the day – two by Allan Jones in D/H Accuracy and the other by Bob Henderson in S/H Accuracy.

Top points for the day go to Gary Gildersleeves with 280 points, well done Gary.

I would like to thank the Walker family for making both breakfast and lunch available to the group, and to all the people who come down early and help set up for the day's casting.

### ***Section Winners***

**Seniors:** Mal Harris 220 points      **Ladies:** Vix Alexander 201 points  
**Veterans:** Gary Gildersleeves 280 points      **Juniors:** Holly Walker 91 points  
**Mini Juniors:** Kaitlin Stoeckel 17 points

***In October, Seniors will be doing Distance First, then Accuracy and the  
Vets & Ladies will be doing Accuracy First, then Distance***

***REMINDER:  
In October, following regular casting we will be holding a 112g Open***

**SINGLE HANDED OPEN - 14.09.08**

Unfortunately, due to rain and gusting conditions which set in during the morning, this event didn't seem to attract as many casters as we'd hoped for. As you see from the results below, only three of us cast. We hope that next month's 112g Open will attract more interest.

**AAA Notices of Motion**

*As Outlined at September 2008 Delegates Meeting*

Motions moved by George Holman, seconded by Terry Fuller as recommended by the State Dry Casting Group of AAAWA. The purpose of these motions to AAAWA delegates is to get approval from AAAWA to present these motions to the National AAA at the Wallaroo Convention in 2009.

**Motion 1**

Amend AAA National General Competition Rules (March 2008 version) Casting section, rule C.9 (c) from

- “(c) Breaking strain of leaders is optional and leaders will be permitted in:-  
           Event 1. Accuracy  
           Event 3. Artificial Bait Distance - Teams  
           Event 5. Artificial Bait Distance – Individuals”

to read

- “(c) Breaking strain of ALL leaders must not exceed 40kg, must be of monofilament line, with only one clip, one loop, and/or one swivel to be used. Leaders will be permitted in:-  
           Event 1. Accuracy  
           Event 3. Artificial Bait Distance - Teams  
           Event 5. Artificial Bait Distance – Individuals”

**Reason for the proposed amendment:** There are far too many variations in rigs being used which have caused arguments over an equal competition. These specifications will ensure equality.

=====

**Motion 2**

Refer AAA National General Competition Rules (March 2008 version) Casting section, rule C.6

Add the words “Casting order shall be to distance 3, 1, 4 and 2.”

so that the rule C.6 will read:-

“C.6 Each competitor shall have two (2) casts for each Event nominated, except Event one (1). In Event one (1), two (2) casts will be allowed at each target. Casting order shall be to distance 3, 1, 4 and 2.”

**Reason for the proposed addition:** This casting order is the standard order used but is not specified in the current rules. The addition is required to overcome any confusion about the casting order.

=====

**Motion 3**

Refer AAA National By-Laws (Subsidiary Rules of the Australian Anglers Association) Section 13. Records Authority subsection (1) (this is the lower case letter L, not a 1 (one))

Amend / add to the first sentence of Section 13. (1)

“(1) The Committee shall receive and process applications for Drycasting Records cast at National Championships or State Championships. “

to read

“(1) The Committee shall receive and process applications for Drycasting Records cast at National Championships or State Championships or interclub or club event. To achieve a National Casting Record, the casting venue must be registered with the State AAA three (3) months prior to the event. A minimum of ten (10) casters must compete. All measurements must be by steel rule or laser device for accuracy.”

**Reason for the proposed addition:** To make it possible for records cast at properly run and properly managed events other than State or National Championships to be recognised as National casting records.

**AAA OF WA STATE TEAM MEETING**

Meeting held at George Holman’s started at 8.20pm and chaired by G Holman.

**Apologies:**

M Head, M Harris, V Alexander, J Strong, A Pekaar, R Jones, J Pullella.

**Attendance:**

G Holman, B Henderson, T Stam, A Jones, I Cook, M Hansen, W Hansen, G Gildersleeves, M Pekaar, P Pekaar.

**State Dry Casting Competition:**

The upcoming State Dry Casting Competition was discussed and members informed that the oval was booked. There will be a Captains’ meeting at 7.45am and a request that all Perpetual Trophies be returned as soon as possible.

G Holman urged all members to complete nomination forms as soon as possible.

P Pekaar informed members that an extra few persons will be attending to assist with the scoring on the day.

A sausage sizzle and raffle will be run on the day by SCAC members G Walker and A Thorgersen.

Magic Nissan has again agreed to sponsor the individual trophies, and the medallions have been organised.

Batteries for the two-way radios have been purchased. The SCAC to supply extra radios for the day.

AAA trailer is to be checked out for stock quantities of sinkers etc. More artificial bait dowels are required (B Henderson to prepare). Sinker prices are \$1.50 each (handled by G Walker).

### **Dry Casting Officer for the Day is George Holman.**

As the National AAA has reset the Veteran age to 60 years to compete, the AAA of WA needs to change its entry age also. A Notice of Motion for this change is to be presented at the next AAA meeting. G Holman asked for assistance in setting up the "V" courts on the day before.

### **AAA National Convention**

South Australia's request for assistance with the sinkers has been organised and M Head has prepared the sinkers required. B Henderson is organising the painting of the sinkers.

G Holman purchased holding bags.

B Henderson expressed the need for ALL nominated members to pay their accommodation deposit as soon as possible. Accommodation is booked from **Saturday, 21 March to Sunday, 29 March 2009.**

Competitors' Convention shirts and track suits are to be ordered when approval by AAA of WA has been obtained at the next AAA meeting.

The Artificial Bait guidelines on the use of leader material was discussed and a motion has been prepared to present to the next AAA National meeting which will read: "All leader material for Artificial Bait rigs must be of 'monofilament line', must not exceed 40kg in breaking strain and limited to the use of one swivel and one clip."

G Holman explained to all that any "record cast" achieved at any National Convention by a WA competitor IS ELLIGIBLE for a National, State and Club casting record.

Guidelines on what constitutes a "Casting Event" were discussed. Recommendations submitted are "a minimum of 10 casters to compete, a minimum of three months' notification to run the event, all measurements are to be by 'laser' or 'steel tape' to achieve accuracy. A motion needs to be presented to the National AAA for rule guidelines.

G Holman informed all that the competitors from Geraldton were unable to attend the Convention (unable to get leave). There is a "Code of Conduct" by the National AAA and it was distributed at the Phillip Island Convention. A vote of "thanks" was forwarded to I Cook for his effort in clarifying the AAA National Casting Records. WA State Casting Records need clarification. G Holman thanked all for attending.

**Meeting closed 9.40pm**
