CLUB ETIQUETTE AND MEMORANDA

MEETINGS

The monthly General Meeting is usually held on the second Wednesday of each month at 8 pm. All members should endeavour to attend the meeting so as to keep upto date on club matters.

DEYCASTING

Casting is usually conducted on the first Sunday in the month. Here instruction is given to new members and a competition conducted to improve and maintain the standard of our members casting.

FIELD DAYS

These normally follow each General Meeting on the ensuing weekend. Signing on and weigh-in is compulsory and failure to do so may mean the loss of all points for that Field Day.

Entries for Game Fish Badge, Club Records and Open Fishing Competitions must be lodged with Recorder within thirty (30) days of capture.

COMMITTEE MEMBERS

Please notify the Treasurer and Reel Talk Editor of any change of address or phone number.

If for any reason you intend to resign from the club, please send a letter of resignation to the Secretary.

Please assist the Treasurer by paying your subscription within 28 days of the Annual General Meeting. Members may lose their membership if payment is in arrears for 3 consecutive months.

AGENDA 1986

3

NEXT GENERAL MEETING:

WHERE : Dianella Community Hall, Light Street, Dianella.

WHEN : Wednesday 8.00 pm 13th August 1986.

INSTRUCTION PERIOD:

Video on Quobba Station Field Day.  
Discussion on future similar Field Day.

NEXT COMMITTEE MEETING:

WHERE : Dianella Community Hall, Light Street, Dianella.

WHEN : Wednesday 8.00 pm 20th August 1986.

NEXT CASTING DAY:

WHERE : Yokine Reserve

WHEN : Sunday 9.00 pm 3rd August 1986.

EVENTS : 112 Gram LL  
56 " "

D/H Accuracy  
S/H "

NEXT DAY FIELD DAY:

WHERE :

WHEN : 16th - 17th August 1986.

TIMINGS : Ferry or main jetty Rottnest Saturday 16th.

DETAILS : As arranged at Rottnest Sunday 17th

FIELD DAYS FOR THE 1986/87 SEASON:

September '86	Jurien Bay	January '87	Wagoe
October	Greenough	February	White Hills
November	Wedge Island	March	Bluff Creek
December	Mandurah	April	Rottnest

PRESIDENT'S ANNUAL REPORT  
1985 - 1986

This season has been a favourable one for the club, with your committee performing well, looking after all the concerns of the club. Once again your committee had many ideas put forward by the members and these were acted on.

COMMITTEE

This season Dick Stevens took on the positions of Vice President and Librarian. Dick has once again carried out his duties to the utmost and is always there to offer his ideas.

Due to the resignation of our Secretary H. Haw early in the season we were without a secretary. Peter Osborne stepped in and carried on this position with true dedication. Peter also held the position of Immediate Past President.

Field days this season saw a great improvement, both catches and attendances were up. This was pleasing to see. I feel the best field day of the season was our long-weekend down south at Bluff-Creek. To look after the running of field days was entrusted to Joe Curulli F.D.O., and his assistant Jim MacDougall. To Joe and Jim thank you for a great effort.

Drycasting this season has kept on a steady keel. This season saw a little improvement in attendances. This is one section in the club where members must make an effort to attend when they can. Sid Whiting D.C.O., and his assistant Malcom Head have put a lot of effort into looking after their section and have not received their just rewards.

The position of recorder in the club this season was taken on by Dennis Stiglmeier. Dennis has done his job well and has been very helpful on committee.

The position of treasurer was once again taken on by Ron Wintle, Ron has now held this position for five years and has decided to have a break from the treasury. Ron has kept the books upto date and has done an excellent job on committee.

Our Reel Talk editor Owen Wintle has once again done his job well. This would be one of the harder jobs on the committee to carry out and Owen has given 100% effort.

(Contd/... 2.)

Tony Richardson our Social Organiser this season has put a lot of work into this position, but has not received the support of the members. Tony has put up ideas for various socials that he wanted to run but the response from you the members was not forthcoming. The Annual Dinner and Dance organised by Tony was better attended this season. This was some consolation for Tony.

Graham Reesley who came on committee to fill the vacant position created by H. Hew's resignation has helped out mainly with the cheese and biscuit sessions after the meetings, giving our Social Organiser a hand and hoping in when required to help out on committee. Graham has been a great help.

Kalbarri property has once again been looked after by George Holman. He has looked after bookings for the house and helped arrange busy bees to keep the house in good condition. A.A.A. matters were also looked after by George and reports tabled that concerned the club.

Our watch dog of the club Bob Klein, has now been our Auditor now for 24 years. Bob has kept a watchful eye on the books and the running of the club and advised the club on matters when asked. Bob thank you for your loyal service to the club.

Although the committee positions have not been listed in order of merit, all members of the committee have given you the members their best effort.

#### CLUB MEMBERSHIP

Our membership this season was down on last year, but you must realise other clubs both large and small are having the same difficulties as our own club. I am not one in favour of extra large clubs, but our present members are sufficient with new members always welcome.

## CLUB ACTIVITIES

### ANNUAL DINNER AND DANCE

Once again the highlite of the season was our Annual Dinner & Dance. From all reports received everyone had an enjoyable night. Congratulations must go to Tony and his band of helpers for a well presented evening.

Trophies played an important part at the dinner, these were once again given generously by club members and the tackle trade. Many thanks to all who contributed.

### FIELD DAY AND DRYCASTING WEEKENDS.

As stated previously our field days have seen a big improvement in attendance and catch, on the other hand drycasting has just been steady. It is up to you the members where possible to make an effort and attend. By doing this the respective officers jobs become more rewarding.

### KALBARRI PROPERTY

Due to the regular busy bees that we held for the house, we are able to maintain a well kept unit. Members of the club from time to time donated items for use at the house. Many thanks to those concerned. We have just recently had completed the sewer connection for the house which has solved problems that were experienced with the plumbing. Suggestions have come from members about selling the house. Two points we must take into consideration, one - the time must be right to sell, secondly what do we do with the money made from the sale of the house. Another way would be to raise the rent for non members, thereby being able to inject some money back into the club for the members to benefit from. This I feel would be a better proposition then selling the house.

### CAPE CURVIER EXPEDITION

About half way through the season a suggestion was put forward by some members to have a weeks holiday at Cape Curvier, where club members would be together. Over the months plans were made and members formed their groups to help keep expenses down. Instruction periods were held with lectures and films shown on the Cape Curvier area. Finally the day arrived for the members to go for their Curvier holiday. Although the fishing was a little down, it was good to see all members catching some fish. It was good to see everyone having a good time because they all had caught some fish. It has been suggested that we return there next year, I hope we do.

GREENOUGH FIELD DAY OCTOBER '86

Members attending this field day should phone 'S' Bend Caravan Park for bookings as this weekend falls during the school holidays.

FISHING EVENTS

1986 State Estuary Championships  
23rd - 24th August '86.

Boundaries: Upstream from Stirling Bridge

Trophies : A.A.A. Perpetuals, teams and individual trophies  
for men, ladies, veterans and juniors.

This is the final round of the Champion of Champions Club event. Surfcasters are in with a chance, so support our club. Come along, enjoy yourselves, and you might even go home with a trophy.

Club teams will be set at the August general meeting.

SOCIAL EVENTS

Our new Social Organiser Jim MacDougall is arranging a Car Rally to coincide with the Xmas function held in November. Other social functions for consideration are:

1. Sale of Lammingtons
2. Sale of chocolates

For next years Annual Dinner Dance, I would like members to give some thought as to having a live band or Disc Jockey. All funds collated from social events assist the club in subsidising the Annual Dinner Dance.

VISITOR

G. Holman introduced Trevor Gould  
at the July meeting.

PRESIDENT'S COLUMN

It seems I've been here before!

I look forward to the next twelve months and its challenge, the club involvement and working with a solid and competent committee who wish to make the 1986/87 club year both beneficial and enjoyable for you the members. All we need is your participation and co-operation and sometimes your help.

Looking at our committee we certainly have a lot of new faces and in most of the important positions. There may be a few shaky moments as some of them find their feet but I'm sure their contributions and new ideas will benefit us all over the next twelve months.

I'm particularly pleased to see a lady F.D.O. in Sharon Osborne. Sharon is a very competent person and I'm sure we will all benefit through her endeavours over the next twelve months.

Bob Bartlett has stepped into a demanding job as Treasurer and I'm confident he will do a job equal to his predecessor, Ron Wintle. Please pay your subscription as soon as possible and make Bob's job that much easier.

Eric Bombardieri has taken on a very responsible job as our Property Officer and has already displayed a very positive approach. Eric will be making a trip to Kalbarri before the next meeting to have a good look at our unit so that the working bee for the end of August can be well organised, and to familiarize himself, and wife Pat, with our facility. If you are able to give Eric a hand up at Kalbarri on August 30-31 please let him know.

Jim MacDougall has a challenge ahead of him with our social activities and is already displaying a good deal of zeal and ideas. There will be some changes at our meetings and some new look functions are to be proposed so listen to what Jim has to say, give it some thought, and put forward your ideas and wishes to him and his committee and above all else, give him your support!!

Malcolm Head has consented to take on the position of Drycasting Officer and even though he is a little apprehensive I know he will do a stirring job along with your co-operation. I wish to thank Tony Richardson for offering to help Malcolm and the club by assisting with the Drycasting.

Even though Peter Osborne stepped down from committee he has volunteered to represent us at the Australian Anglers Association, W.A. Division meetings along with our new Vice-President, Sid Whiting.

(Contd/.....2.)

REEL TALK

- 2 -

PRESIDENT'S COLUMN (Contd.)

Both are very competent and I know our interests in this regard are in very good hands. It is good to see Sid step in as Vice President and I look forward to his assistance.

Owen Wintle has taken on our club magazine again for the ensuing year, and I look forward to an informative and punctual magazine of which I know he is more than capable. I place a lot of emphasis on communication as I know you the members like to be kept upto date with club information and activities. There will be comprehensive reports forthcoming from our office bearers and I would like to see some fishing reports and articles put forward by you the members thus making Owen's job easier and rewarding. I know that should Owen need assistance it will be provided.

We certainly have a new face (or is it old?) in Basil Marsh as our Librarian which is good to see. Welcome Basil.

Eric Parker steps down from the top job and has taken on an even more responsible job as our club secretary, a role very familiar to him and a gesture I very much appreciate.

To Dennis Stiglmayer (Recorder), Bob Klein (Auditor) and Dick Stevens thanks for making your services available to the club and myself.

I am very privileged to have these people as my committee and look forward to your support and involvement to help make this forthcoming year an enjoyable fishing/casting/social year.

GEORGE HOLMAN  
PRESIDENT.

P.S. Good to see another new face on committee in Sam Cook as Sharon's assistant P.D.O. I know he will fill this position admirably.

REPORT FROM THE INCUMBENT TREASURER 1986/87

It will be a tall order for me to take over where Ron left off. His commitment as Treasurer to this club over a 5 year period has been outstanding. He has most definitely earned a rest.

For myself, I am totally new at this kind of endeavour and will require assistance and co-operation from members now and in the ensuing year.

I see the position of Treasurer as most important to the success of the club and I will do my best. But as I mentioned I will need your help and the best way to help me is to pay your bills on time.

What more can I say? Heres to a terrific year.

A.A.A. OF W.A. REPORT

Firstly Eric Parker and myself wish to apologise-for-not-attending the previous A.A.A. of W.A. Meeting as we were both fishing at Red Bluff north of Carnarvon.

At the July meeting of the above there were 25 delegates in attendance at the Marmion Angling and Aquatic Club's premises on the 15th instant.

Ray Nesbit who has been the Association Recorder for numerous years and a diligent worker tendered his resignation due to health reasons. A sincere vote of thanks was accorded Ray by all present.

Paul Foster and Lindsay Harbord will be attending the mid-term meeting of the Australian Anglers Association in the Eastern States later this month. They will be looking after our interests and putting various motions on our behalf.

The Government Gazette published some fishing bans for the Shark Bay area for certain months of the year, but it was pointed out that this affected only the professional fisherman. This was in relation to Snapper fishing.

Peter Wiso reported a strong interest in the forthcoming State Drycasting Championships to be held on the 27th July at Yokine Reserve. He also thanked Mr. Ron Bennett from Mazda Toyota Melville for donating the trophies for the individual events.

The State Estuary Championships are to be held in the Swan and Canning Rivers on the 23rd and 24th August 1986, hosted by the Swan River Angling Club Inc. This will be the final round of the Champion of Champions Club event. Event starts at No.4 Car Park (Causeway Car Park), registration from 1 to 3 pm.

Agnew Clough have appointed a full time ranger to supervise the steep point area and to prepare and instigate various projects proposed. The cost is \$20.00 per vehicle, and \$3.00 per head per day and it is imperative that permission be sought. Further details may be obtained by phoning Mr. Jim Willis on Perth 3645247.

The notice of motion regarding the selection of Angler of the Year on a percentage basis over the four State Championships was put and carried. An amendment was tabled to include national events in the collation but was withdrawn on the proviso that should the motion be carried the amendment would be tabled and put at a later date.

REEL TALK

26

CASTING REPORT - JULY '86

Fine conditions and a good turnout, with everyone getting in some last minute practice for the State Championships.

Congratulations to George on a fine 165 in D/H Accuracy - a new club record, and at least equal to the State record. (You swine!!). Heath and Donna were also in great form, as the scores show.

Welcome to new member Ian Taggart - hope you enjoyed your first cast, and keep coming back to improve your skills.

We also had a 112 gram L/L Open event:-

G. Holman	153	100%	P. Osborne	132	86%
S. Osborne	146	95%	E. Parker	132	86%
S. Whiting	145	95%	R. Sparrow	127	83%
D. Gilbert	145	95%	H. Holman	125	82%
A. Scott	145	95%	M. Head	76	50%
T. Richardson	142	94%			

This is my last report before standing down from committee for a while. Thanks to all who have supported casting, and thanks to Malcolm for his valuable assistance. Good luck to the new N.C.O. Please support him, and continue to keep casting going as a great sporting and social event.

Regards,

KING GEORGE

FIELD DAY REPORT - OPEN, JULY 12/13th, 1986

Moon: New quarter

Tides: (Depending on which paper you read)

Low : 0.4m at 6:21 pm Saturday (Fremantle)

High : 1.3m at 8:51 am Sunday

Wind: Absolutely wild.

What a weekend! wind, weed and water, water, water in the form of rain. Of the 26 field day attendance, 4 headed south to Margaret River, 9 headed north to Wedge, and the rest stayed local (the moles).

Someone (not a surfcaster), caught a couple of Malloway Sunday morning in George Holman's Saturday night spot much to George's disgust. Good thing he had the kids along to prevent a complete wipe out!

Ric kept the flag flying for the Wedge group by bringing in a Salmon which caused him some fancy footwork by charging across his reef stand for the showline, then reversing the process after Ric got himself turned around. Ric had his work cut out for him attempting to stay on the reef stand in less than desirable conditions which also trying to face the same way the Salmon was going. Ric says he didn't fall off the reef stand but we have our doubts as to the accuracy of this statement.

The Margaret River anglers returned with Skippy and Herring, but no Malloway or Tailor. Few spots were fishable down there, especially on Sunday morning.

While this club has made provisions for members who are unable to attend sign-ons due to work commitments to be able to phone in or sign-on early, this is a privilege which can be abused. There was a high number of phone-ins this time and concessions were made for members who had 'pressing business' to sign-on. Unfortunately, two of these members failed to attend the Sunday weigh-in or to notify the F.D.O. of their inability to attend. Attendance at weigh-ins is not only a courtesy to the F.D.O's and fellow anglers, but is a safety measure. Members who fail to attend weigh-ins have to be searched for to ensure their safety and well being. Cost incurred in such a search are the responsibility of the offending members. So please everyone restrict your phone-ins to job commitments or emergencies only, and do attend weigh-ins.

FIELD DAY REPORTS

NEXT FIELD DAY:- Rottnest 16th - 17th August

FERRY:- Show year badges and ask for a concession as a fishing club member

SIGN-ON:- Ferry or main Jetty at Rottnest

WEIGH-IN:- To be advised

BOUNDARIES:- Rottnest Island

FOLLOWING FIELD DAY:- September 13th - 14th

Note: Jurien Bay (subject to discussion August General Meeting)

SIGN-ON:- Main water tanks approximately 2kms from Jurien on right side of road as you head towards Jurien, 1.00pm Saturday.

WIGH-IN:- 11.00 am on Sunday, same place

BOUNDARIES:- Hill River to Greenhead

SPECIAL INSTRUCTIONS:-

Rottnest Ribbons - Green = Radar  
Red = Ricys  
White = Elsewhere

Return: Gold = Fremantle  
Black = Perth

COST:? Aside from Ferry costs, island transportation costs for the bus and truck should range from \$15.00 - \$25.00 per head, juniors half-fare. Members must pay this cost at the general meeting before the field day. So all members intending to go to Rottnest please attend the meeting or pay the F.D.O. before that meeting.

As we are restricted to 1½ hours use of the bus and truck, absolutely no stops will be made by the bus at the shop as is usually done. So come well supplied!

---
