NOVEMBER GENERAL MEETING:

Our President, opened proceedings by Welcoming Pinky Too, Dirk Stam, Maureen, Narelle, Julie Ann, Leanne Lundy and Iris Buchanan.

The Secretary reported receipt of acknowledgement of our letter to the Minister of the "Off Road Bill" pending in Parliament. He also reported the receipt of a letter of resignation from Dennis Green. Dennis has done a great deal of work for this club and it was moved and passed that he be offered a year's Honorary Membership as some small token of our appreciation of his work. The Secretary has also written to the coastal shires where we fish offering our co-operation in the protection of the coastal environment in any way we can.

A couple of offers of discounts were received from tackle stores, namely:- Rolly Hovdek, 278 Canning H<sup>o</sup>Way, Bicton, 15% discount to club members.

Grantham Hardware, Grantham St. Wembley, Stewart Anderson, 10% discount to club members.

Peter Conroy displayed a reef bag of superior quality duck canvas at \$8.50 (which is cost). See Peter direct for this one.

Whilst on tackle, your Editor displayed a pair of waders, worn once and then the leg perished (over large areas too big to patch). I was told by the agent, "stiff cheese, buy a new pair!!". The brand is "Steel Shank". Needless to say, I did not take his advice and buy another pair!!

The A.A.A. Report was mostly devoted to the new publication proposed by Fred Finch (Sunday Times writer) "Leisure".

It is proposed the publication will cover fishing, boating etc. and will be mailed to all members of affiliated clubs free of charge. It was moved and seconded that the Reel Talk mailing list be sent to Mr. Finch subject to the condition that IF ANY MEMBER WISHED HIS/HER NAME NOT TO BE INCLUDED NOTICE MUST BE RECEIVED BY THE SECRETARY IN WRITING TO THAT EFFECT. It is expected to start early in February 1978. Advertising fees will be about \$140 full page. Fred will pay member 10% commission on any ads referred.

GENERAL BUSINESS: Discussed and decided to go ahead with the Dry Casting Clinic. (See seperate Notice insert). All help by members on the day most welcome. We may get a large roll up of public and need all the help we can muster.

INSTRUCTION PERIOD by Alf Rutland was well planned and full of useful tips. I've heard Alf speak on the subject before and have used his tips for some years- and they work!! That silver paper (Builders Sizational) works wonders wrapped around an ice box. Thanks Alf, a first class instruction period.

\$2 Board won by Pinky Too.

KEN JONES  
EDITOR.

NOVEMBER FIELD DAY REPORT: 12/13TH: CERVANTES:

The Cervantes Field Day showed another good attendance by members with 37 seniors and 5 juniors, with 3 visitors also attending. Unfortunately fish were scarce and only a total of 37kg was weighed in.

The F.D.O. and family arrived at the Pin-A-Culos Caravan Park early Friday evening and were greeted with a rather strong southerly breeze, and this was to remain prevalent throughout the weekend. We were joined in the Caravan Park later that evening by the Singleton family and the Farnell family.

Saturday morning saw us up and down the coast looking for a suitable spot to fish. After this it was decided to travel out to the Pinnacles and have a look-see. We could all thoroughly recommend anyone who hasn't been out there to try to make the effort and do so, even though the 'road' out there leaves much to be desired, but the discomfort endured is made up for in the sight that will be seen when you arrive and take a lookaround!

The Assistant F.D.O. and son arrived at the Caravan Park on Saturday morning, so we then had quite a happy gathering.

At 12.45 p.m. we all made our way down to the sign-on and were greeted by the mob who had had an unofficial meeting at the Catby on the way up and were all in rather high spirits! At the sign-on it was decided to hold the weigh-in on Sunday morning at the Tourist Information Centre just out of Cervantes, due to the distance to be travelled to 'The Tanks' and the condition of the road surface to get there.

It was good to see Brian Leicester, travelling with Ron Kildahl, at a field day event again, after him having recently been in hospital.

Unfortunately, Wilf Core had a mishap with his vehicle, which resulted in it being rolled over and being written off, but on the brighter side, he fortunately only sustained scratches and bruises.

Graham Reeley, Tony Richardson and Alan Roberts had a lucky escape with their vehicle when the windscreen smashed and came into them in the front, causing them all to have small nicks and scratches from the flying glass.

Fishing was mainly centred in the Black Rock and Hill River areas, with Iris Buchanan taking out the field day with a bag of tailor and flathead, weighing 4.65kg, closely followed by Col Buchanan with a bag of tailor, weighing 4.6kg- good on you Iris, well done. Craig Norman won the Junior section with a bag of tailor and this weighed 1.1kg.

See you all at the Wedge Island field day on the 17th and 18th December. Please don't forget flags on tracks and drive with caution as the cray-fishermen are using the track extensively.

Ron and Stan.

P.S. No fires on the beaches please- due to the fire restrictions.

CAR TRIAL:

The car trial is behind us. Everything turned out alright, despite a few difficulties. Out of 26 cars, 19 made it, or had to make it, as some did not have the "emergency envelope" to direct them when lost.

The following made it:-

John Griffith (- 2 pts), John Ellul (-3), Mal Thompson (-5), George Holman (-6), Tony Smith (-8), Peter Robinson (-8), Gardner (-10), Peter Conroy (-11), G. Taylor (-11), Tony Snelling (-12), S. Renshaw (-17), J. Lee (-23), L. Roberts (-23), C. Taylor (-32), K. Wilkerson (-55), H. Hew (-77), Michael (-77), P. Withers (-81), G. Reeley (-81).

There were very good prizes like Superfurn aluminium chair donated by S. Renshaw, 2 bottles of champagne donated by K. Wilkerson, a nice towel donated by Jim Strong and some others donated smaller things.

There were plenty of prizes for games and races. Ice cream, ginger beer, sweets; nobody did go short.

Naturally, we expected a lot more participants, like 2 or 3 times as many.

There was a nice hamper, won by Cecil Taylor; much of the goods were donated; especially by Gordon Tompsitt.

It appeared that we were going to make a good profit judging how the raffle tickets sold and especially how the quits were thrown.

But that was not so. All the effort and only \$46.50 profit!!

The problem is too many expenses for not enough participants.

DINNER & DANCE:

Date: We aim for 24th June.

At this time it looks like a new location. We are trying at the moment for the Sheraton, which looks pretty good. The idea is a good place, with a little less cost. Buffet style dinner will reduce this slightly.

GAMBLING:

But, we call it SOCIAL EVENING. Date and venue to be decided later.

Entrance \$2.00, tickets will be sold and place will be on tickets.

Members only.

QUIZ NIGHT:

We aim for March 21st. Probably in the Civic Hotel.

.....

DEBENTURES \$10 EACH.

See the Treasurer at next meeting.

A.A.A. REPORT CONT'D:

The A.A.A. has put forward its program for 1978, with the following venue, event and date being set.

1. Open Angling Tournament: Preston to Long Point: 25.2.78.
2. South West Angling Championships: Walpole: Easter 1978.
3. Beach and Rock Championships: Denmark: 23.8.78 (Long weekend).
4. Estuary Angling Championships: Swan River; 25.11.78.

The State teams and Open Drycasting events yet to be decided and maybe held on same weekend.

State Convention yet to be decided on, but to be held in Perth.

NOVEMBER DRY CASTING:

With perfect weather and a roll call of 24 members, 4 juniors, 1 visitor, we got under way 'almost on time'.

Two of our regulars in Daryl Retallick and John Lee were missing. Daryl on the sick list, now recovered, and John with pulled tendons in the right knee, due I believe, to a rugged footy match against juniors at the picnic. Hope you're both well and casting at the December meeting.

Jack Harvey, whom we haven't seen for some time due to his wanderings, had some interesting information and drycasting blanks to show us. Welcome back Jack. Rudy and Ralph Lerch turned up, both recording good scores- where have you been? Ken Jones and son Derek also came out of hiding; must be the Spring weather, with Derek turning in a very good score to win the Junior Section. You beat another caster of the same name, Derek, any relation?!!

Our visitor, Harold Salfinger, friend of Gordon Tomsitt, had a bash in all events. Dam good effort for first time up. We welcome you, call again.

The so called B Graders, with the exception of Jim Strong, seemed to be having one of those days. Jim Oxley a wipe out in the S.H. accuracy, Trevor Stam the same in D.H. and S.H. accuracy and Gordon Tomsitt- what happened to you?!! Never mind fellas, you can't possibly have two days like that, good scores next cast. Have a look at the penalties of most of the big guns- they booboo also. Honours of the day went to Hewie with a total of 138 points- Congratulations.

Interesting to note our Club Record for the D.H. Accuracy set in 1967 and equalled in 1968 is 72 points. You managed 71 Hewie- B. good effort. Stan Renshaw is still improving with age, good on you Stan, lay them down, you can break up the big three.

Heard one of our Club members who wasn't casting, remark, "Might come drycasting again now there's some competition! Well, come along, don't be shy, if the going gets too rough for you we might introduce a handicap system. Speaking of handicaps, at our next cast all Juniors will cast first so as Seniors can assist and advise, and a more flexible handicap system will apply.

My thanks to all who assisted Tony with the October cast during my absence. Special thanks to Gordon Tomsitt who took the trouble to cart the dry casting gear down and back again. Also Graham Reeley who is always willing to assist. Thanks fellas.

Our next cast- December 4th. Usual events plus D.H. Open. It's our Christmas cast, so turn up, you too may win a booboo prize.

All the best,

Keith & Tony.

Foot section next month

KALBARRI HOUSE REPORT:

Bookings for next year's holidays are beginning to come in. August next year is booked for one week! Book early to avoid disappointment - bookings now open to and including Xmas Hols 1978/79.

Daryl Retallick suggested we build the front verandah in timber rather than slabs and brick so that the transport problem would be easier and the parts could be pre-cut in Perth. He offered to donate the timber and cart it up there! That offer was "too good to refuse", as they say!!, so we accepted it there and then!! Thanks Daryl, that's great stuff.

Unfortunately, the Jan L.W.E. is booked for one week each side of it by the same tenant and we will not be able to use that particular weekend.

It looks as though someone will have to have a sicky somewhere along the way-we're working on it!!
