NEXT GENERAL MEETING (JANUARY)

Our January General Meeting will be held at the Jolimont Hall, corner of Cardigan and Peel Streets, Subiaco on WEDNESDAY, the 13th January 1965 and will commence at 8 p.m. sharp.

INSTRUCTION PERIOD

It is some time now since we have had the pleasure of a slide evening and I think everyone will agree that one of the best members to put over a successful show of this nature is Bert Payne.

If Bert agrees to conduct the evening (and I'm sure he will) his ever increasing photographic know-how coupled with his well known "gift of the gab" should make the first instruction period in 1965 a most interesting and enjoyable one.

LAST COMMITTEE MEETING (DECEMBER)

It was once again like old times at the December Committee Meeting when Alan Bunnett threw his house open and members' wives once again got together while the meeting was held. Business of course was not neglected but a most enjoyable evening was had by all and to Mr. & Mrs. Bunnett go the thanks of all the committee.

NEXT COMMITTEE MEETING (JANUARY)

The next committee meeting will be held in the Master Painter's Association Hall, 80 Hay Street West, Subiaco, on Friday the 22nd. January, 1965.

CLUB RAFFLE

It is extremely gratifying to be able to report our Xmas Hamper raffle a success and to all members who made the effort go the sincere thanks of the Committee. Following are the official results:-

FIRST:	No. 477	W. O'Connor C/- P.M.G. 70 Leonard Street, Victoria Park
SECOND:	No. 165	F. Setterfield C/- D. & J. Fowler O'Connor.
THIRD:	No. 26	E. Smith 86 1137 35 Williams Road, Nedlands
FOURTH:	No. 2072	A. Jowett 7 Carrick Street Double View

FEBRUARY GENERAL MEETING

In response to suggestions offered by members it is proposed to hold the February General Meeting in the R.S.L. Hall, Bay Road, Claremont. The hall is located near the Highway Hotel, opposite "Winterbottoms" in Stirling Highway.

DRYCASTING - 6TH DECEMBER, 1964.

There were only twenty two members and one junior present at casting but amongst the spectators were two club members, Norm Gile and Doug Edward. Norm has been a onlooker for the last two months and I wouldn't be surprised to see Norm casting shortly. Doug came along for a look-see and a mag with the boys but it didn't take long for him to borrow some gear and try himself out. Good to see you Doug.

Bill Bridger again heads the list with the longest cast of 414ft. Allan Bunnett was second with 382ft. and Bob Tucker with 354ft. just pipped Hew Hoy Yew 353ft. Hew will be a force to be reckoned with in next year's competition. Robin Ellis won the Level Line Distance event with 301 - 154 - 455, Bill Bridger was second with 389 - 60 - 449 and Jim Strong was third with 309 - 135 - 444.

In the D.H. Accuracy event Eric Sullivan, Bob Tichbon and myself scored with all four casts. Bob also scored the only bull in this event and Allan Bunnett recorded a near miss. Bob Tichbon is really getting his eye in again, top scoring in this event with 54/80, "Snow" Tate with 46/80 was second followed by Allan Bunnett with 42/80.

The S.H. Accuracy was won by Bob Jensen with 22/40. Bob Tichbon with 17/40 just beat Allan Bunnett 16/40 for second position. Bob Jensen and Robin Ellis scored with all four casts. The nearest to a bull in this event were Bob Tichbon and Ron Shirley who both had a near miss. No member scored with all eight accuracy casts.

In the Open Level Line Distance event Bill Bridger broke his own record of 434ft. by 24ft. with a beautiful cast of 458ft. and young Don Bridger exceeded his own record of 304ft. by 25ft. Bob Tucker was second with 376ft. and Allan Bunnett only one foot behind for third.

FIELD DAY -- LANCELIN -- 16TH & 17TH DECEMBER, 1964.

Despite the fact that the locals had reported that fish were few and far between, 36 members, 1 junior and 2 visitors attended the venue and covered a large area searching for a suitable fishing spot. The resulting total capture of 227lb. including several sharks was an excellent effort. The weather conditions were not pleasant with gusty southerly winds and the south end heavily weeded although things were a little better to the north past the hotel, where many of the best catches were made.

The shark captures were the highlight of the venue. Gary Davidson started the ball rolling with a 14lb. whaler shark. Don Webb came in later with a bronze whaler which tipped the scales at 23 $\frac{3}{4}$ lb. and appeared certain to take out an award. However, about 11 p.m. Bob Klein, Ron Shirley and Ron Kildahl arrived back at camp with a 30 $\frac{1}{2}$ lb. bronze whaler caught by Ron Kildahl. The whaler sharks give quite a good tussle on rod and line and altogether five were landed which was an excellent effort.

Bob Lilly continued his attack on the State records with Hammerhead shark weighing 13lb. 10oz. This fish which does not often venture close inshore aroused considerable interest at the weigh in and kept several of our shutterbugs busy.

Turning to scale fish we saw Bob Jensen return to the fore with a good bag of tailor weighing 16 $\frac{3}{4}$ lb. Gerry Windus was all smiles with his 7 $\frac{1}{4}$ lb. Mulloway, while "Yew" with a bag of 14lb. of tailor maintained his excellent field day record and kept his points total jumping ahead.

Bob Tichbon, Ian Edgar and Horrie Muirson tried an area called Sea Bird Bay but southerly winds coupled with weed and a lack of tailor defeated them and they were forced to give in. The parties south near the rubbish dump found the same problem and believe me, I've never worked so hard for so little. My nephew Peter McLure, a visitor to the venue, landed 7 tailor using a much smaller rig than anyone else (Two 2/0 Limericks) and small strips of mullet and this was apparently preferred by the tailor to the conventional ~~scalie~~ rig.

Phil Neri and Jack Harvey managed half a dozen tailor between them while our good friends Arch Ticklie and Arthur Horton carried on with their usual dash to weigh in fair bags.

So ended another happy and busy Field Day with one section of the Field Day Competition being knocked off. Congratulations to the various award winners (who will be paid at our next Meeting) and don't forget that as we are having visitors from Collie and Busselton next month, a good roll up is essential.

Until then - tight lines!

CLUB NEWS AND NOTES

A notable absentee from the Xmas meeting was Henry Bester with his magic. I believe Henry is convalescing after a spell in hospital and I am sure all members join in wishing him a speedy recovery and hope that the "quickness of the hand can still deceive the eye" at our next social function.....

The fine Bronze Whaler caught by Ron Kildahl at the last Field Day more than doubled the previous entry in Section 4 of the Field Day Fishing Competition. Incidentally the bloke who gaffed the fish was the same bloke who previously held this Section - Ron Shirley.....

I was very pleased to hear our old member Felix Holywell has returned to the metropolitan area and no doubt will be keen to get back into club activities after quite a spell. I believe another stalwart will be returning shortly also - namely Alf Rutland, so here's hoping he will once again be active at our Club functions...

Several of the sharks caught last Field Day were forwarded on to Roley McKay and he was extremely pleased to receive them. Anyone who catches a small shark or ray and wishes to help out the museum can contact Mr. McKay on 69 3710 or at his home 89 Second Avenue, Rossmoyne.....

I hope all those lucky dogs who have managed to sneak a bit of fishing over the holidays will take time to give the Editor a ring on 74 1041 and let's have some tales, tall, true or otherwise for this page.....

JANUARY FIELD DAY

At the time of printing, road conditions etc., to the Preston Beach area have not been definitely ascertained, so members are advised to attend the January General Meeting for final details.

The distance shown on the Shell Road Map is approx. 88 miles via the old coast road from Mandurah. Ron Shirley, who has visited the area, has agreed to assist by erecting signs and the base camp will be indicated by the club sign.

Members are to report to Jim Strong or Norm Clark between 2 p.m. and 4 p.m. Saturday at the base camp and the weigh in will be at the same spot between 8 and 9 a.m. Sunday morning.

Don't forget to carry sufficient water and also wear your Club badges as the Collie and Busselton Angling Clubs are to be our guests at this venue.

APPLICATIONS FOR MEMBERSHIP

The following applications for membership to our Club have been received. If any member or members have any reason or reasons why the nominees should not be accepted as a member of the club they should contact the Secretary or any Committee member immediately.
