PRESIDENT'S COLUMN

Christmas has been and gone for another year and we look forward to the New Year of 1986. Best wishes to all members for a happy and prosperous New Year. I hope this will be a prosperous and good year for the club. But to have this happen you the members must make a concerted effort where possible. We all know that members have other interests and their families to consider. So when and where you can support the club with the activities. By doing this the office bearers that hold the various positions derive more pleasure out of doing their selected jobs.

Various functions are planned for the new year, so try and attend or help where possible.

One type of function that we hold every month is our instruction period, these are always difficult to arrange so if you have any ideas for instruction periods, please let me know so that they can be arranged.

The White Hills Field Day saw a disappointing attendance due to the inclement weather that was brewing prior to the weekend. I hope we can make amends to this for our long weekend in January and have a massive attendance with an abundance of fish for everyone.

Once again all the best for the New Year of 1986.

BLUFF CREEK

MEMBERS:- Please remember that our Bluff Creek trip is coming up. Please give it some thought. It is designed to be a family outing and we hope that we can get together and go down in a convoy type set up or alternately all meet at a set point. This can be discussed at the next meeting.

For those of you who are going please come up and give us (Joe Curulli or Jim Macdougall) your names at the January General Meeting, so we can work out how many Freezers, Ice Boxes and Generators we need. By the way conventional vehicles can get right into Bluff Creek. There will be 4 WDS there to ferry you up and down the beach if required. Remember you selected this field day. Please support it we can only help you if you help us.

G. Curulli & J. Macdougall

DECEMBER 1985 - CASTING REPORT

Well it was just about a Holman grand slam this month as you can see from the results. Well done all of you. Congratulations also to Dave Richardson on his handicap win - We'll have to watch this lad!

Joe Curulli made his debut, and did quite well in distance considering the standard beach gear with 20 lb. line he was using. Hope you can come some more Joe.

Nothing much new in the top-ten except for the min-juniors - look out Kathy'.

Channel 7 were there again re-shooting the "What A Week" story, which was finally screened on 2nd December. Too bad it clashed with the boxing title on Channel 2. The good news is that "State Affair" are also interested in doing a story.

WHITE HILLS - DECEMBER 14/15

The weather started out in Perth overcast and trying to rain and the closer we got to White Hills the clearer it became. The wind also picked up as we approached the beach.

At the sign-on we were a little bit disappointed by the turn out as White Hills is usually a very popular spot, but still we all got down and did a bit of fishing although there was a bit of weed (HA HA) around but it was still fishable.

The winds died down during the night and Sunday was a lot nicer weather to fish.

At the weigh-in, there were the usual fish sighted i.e. Herring, Tailor and a few other small fish including a small Mulloway of 1.3KG caught on a single handed rod by Denis Stiglmayer (goodone Denis). Good to see Tony D'Alonzo at the Field Day.

See you at Wago on the January long weekend.
