CLUB ETIQUETTE AND MEMORANDA

MEETINGS

The monthly General Meeting is usually held on the second Wednesday of each month at 8 pm. All members should endeavour to attend the meeting so as to keep upto date on club matters.

DRYCASTING

Casting is usually conducted on the first Sunday in the month. Here instruction is given to new members and a competition conducted to improve and maintain the standard of our members casting.

FIELD DAYS

These normally follow each General Meeting on the ensuing weekend. Signing on and weigh-in is compulsory and failure to do so may mean the loss of all points for that Field Day.

Entries for Game Fish Badge, Club Records and Open Fishing Competitions must be lodged with Recorder within thirty (30) days of capture.

COMMITTEE MEMBERS

Please notify the Treasurer and Reel Talk Editor of any change of address or phone number.

If for any reason you intend to resign from the club, please send a letter of resignation to the Secretary.

Please assist the Treasurer by paying your subscription within 28 days of the Annual General Meeting. Members may lose their membership if payment is in arrears for 3 consecutive months.

REEL TALK

NEXT GENERAL MEETING:-

WHERE : Dianella Community Hall, Light Street, Dianella.  
WHEN : Wednesday 8.00 pm 10th June 1987.

INSTRUCTION PERIOD:-

Rods, Reels and Tackle - G. Holman

6  
PRESIDENT'S REPORT

Quite a good attendance of members at our last general meeting and in particular an encouraging number of visitors who came along to see how we conduct our meetings and what our club has to offer. Malcolm White was accepted into our ranks and we look forward to his participation and hope he enjoys his future with our club. Welcome Malcolm. Malcolm also brought a friend named Colin who has subsequently nominated for membership. This is a most encouraging trend.

Only nine club members ventured up to Quobba Station early in May to fish for six days. (I have submitted a report elsewhere on this trip). Some of them didn't catch a lot of fish but I think everyone learnt a lot and I know that they all enjoyed themselves immensely. This was attributable to good companionship and the fact that we all stayed in the Shearer's Quarters, thus making it more of a togetherness outing.

If there were a good number of members interested in a trip up there (rain this is an ideal location and could accommodate upto twenty quite comfortably. However I would recommend June or July as the better months as we were a little early for the Mackerel. The group spent most of the time up there gas ballooning, thus making it a sink or swim venture. If you want to catch fish you've got to move around and try different methods such as spinning and bottom or surface bait fishing.

Next month since our annual dinner and dance comes around once again 20th June at Wembley Lodge, Eric Bombardeiri, our Social Organiser would like to see you all present and having a good time, so if you are going (and don't forget you can bring your friends as well) please contact Eric and let him know. Sid Whiting will be comper for the night and is supervising "the best band in Perth". See you all there!!

At our last Committee Meeting it was decided to increase our club subscriptions. This was due mainly to the fact that at our previous general meeting those present voted for a dollar increase in subs to the A.A.A. of W.A. and also bearing in mind that our subs haven't been increased for at least four years. Seniors are now \$28.00, Families \$40.00 Veterans \$10.00 and Juniors \$1.00.

Sid Whiting has submitted four tenders for telephone directory deliveries on our behalf so it's a case of wait and see now. Sid has put a lot of effort into this project so if we are successful in our tender it's upto you, the members to hop in and do your bit and we will all benefit.

Our new nominee for membership in Dave Maxsted doesn't believe in doing things by half measures. He was one of the nine at the recent Cavier Trip. On the Wednesday four of us went down "cardiac hill"

(Contd/....2.)

PRESIDENT'S REPORT (Contd.)

(the caves) to fish and when we decided to leave Dave loads up, back pack, rods in one hand and bucket in the other and off he goes. Dave being the adventuresome type decided the shortest way down an obstacle (of some five feet) was to jump and upon doing so the rods hook up on a rock, Dave lands on his right ankle uneven, result - one fractured ankle. Now Dave is still down the bottom of "cardiac hills" and there is no way he could be carried out, so without a peep Dave hobbles and crawls his way up that hill. We didn't leave until the Friday so in the meantime Dave gets around with a make-shift crutch and a one-legged hopping motion. But Dave doesn't do things by half measurers: The doors aren't standard size in the Shearer's Quarters and Dave is around six feet tall, so Dave hops through the door, thump, hits head on top of door opening, result doctor Eric Parker patching up one split head!! A walking disaster area!! He's going back up again next year though!!

Just a reminder that July is election month so if you want to nominate for committee please do so as ballots for all positions is a sign of a healthy club and being on committee is enjoyable and rewarding.

Dennis Green, one of our members had a recent bereavement with the loss of his father on the 9th May through cancer. To Dennis we extend our sincerest condolences and to his mother also.

See you all at the next meeting.

GEORGE HOLMAN

REEL TALK

ANNUAL DINNER DANCE AND PRESENTATION  
OF TROPHIES

---

DATE:- Saturday 20th June 1987

VENUE:- Wembley Lodge, 202 Cambridge Street, Wembley.

TIMINGS:- 6-30pm Pre-Dinner Drinks  
7-00pm Dinner

TICKETS:- \$50.00 Double  
\$25.00 Single  
\$12.00 Pensioners and Juniors

Please members try and attend this evening as we are sure it will be a great night for all club members and friends to get together.

Tickets will be available at the General Meeting on the 13th May and if you can arrange for additional friends to make up a party it would certainly help the club in the overall costs.

For table bookings and any queries please phone Eric Bombardieri on 454-7057.

FIELD DAY REPORT

VENUE: OPEN - QUOBBA MAY 1987

1. SEA AND WEATHER CONDITIONS:-

Terrible! at least locally!!! us locals had swinging gales with intermittent floods, the Quobba gang had it much easier.

2. WEEKEND REPORT

F.D.O. can only report for the locals. The D'Alonzos went south (Margaret River - Canal Rocks), the Osbornes went north (Dongara - Greenough) and the Reeleys tried north (Dwerers) and local (north mole). We all had terrible conditions, but D'Alonzos at least got fish (and lost a lot of gear). Graham found out we can get into Dwerers (future field day spot). Graham and Michael also found out that you can get blown off the rocks on either side of the north mole when conditions are this bad. Peter and Sharon went looking for mulloway at their favourite Greenough spot, and found out that you can indeed sit on the beach on Mother's Day and pray you don't get a bite because if you do you'll have to get up and get blown over by the rain and wind-wind-wind-wind!!!! (What a way to spend Mother's Day!).

But D'Alonzos found Salmon (5), Herring, and Bream. Philomena gave up and sought the safety of the Nissan. Tony (true to form) battled it out on the rocks, despite all obstacles placed in his path.

The results of the Quobba group will have to be reported by George, but I can tell you that Tony still managed to take out the field day's heaviest bag, the second year in a row for this type of event. Well done Tony (and Philomena), you two certainly can give us all detail on the finer points of rock-and-beach fishing.

Well done to George Holman, who took out the heaviest scale fish with a beautiful 7.50 Kg. Trevally, and to Heath, who landed a very nice 10 Kg. spotted Cod for the open section. I understand Malcolm Head battled a lovely Spaniard and landed it on the rocks, only to discover the whole lot had tangled in a heap of old fishing line. The next wave washed the Mackerel out to sea and left Malcolm without his game fishing badge. Bad luck to Malcolm, but we know you're a real trier, so here's hoping you'll have better luck next time.

(Contd/...2.)

REEL TALK

FIELD DAY REPORT (CONTD.)

13

- 2 -

Bad luck also to visitor Dave Maxsted who took a flying leap off the rocks and wound up with a broken ankle (or something as bad). Let's hope that's all your bad luck at once Dave, and next year when you're above the visitor status you'll be claiming your game fishing badge,

Here's looking forward to our Cockburn Sound trip and hope to see you all out for this one.

FIELD DAY REPORTS

- NEXT FIELD DAY:- Cockburn Sound  
June 13th-14th, 1987
- SIGN-ON:- PORT BEACH CAR PARK, 1.00 pm Saturday
- WEIGH-IN:- 11.00 am, Sunday (same place)
- BOUNDARIES:- Garden Island Bridge to North Mole
- FOLLOWING FIELD DAY:- Yallingup (to Margaret River area?)

SPECIAL INSTRUCTIONS:-

Cockburn Sound - Ian Cook has promised to bring a map to our next meeting so we can discuss some of the possible sites.

What we want is some rough weather 2-3 days before the field day. then reasonable weather for the fishing.

This should be a good day for all those who find the usual field days out-of-pocket and out-of-reach, so we look forward to seeing you all.
